1 **Introduction**

2 Marieke Randoy is the biological mother of Hunter Randoy (04.10.2012)

3 At this time, the US State Department has accepted Marieke Randoy's Hague
4 Convention application for her son's return to Canada. The case is now being
5 investigated by the Los Angeles District Attorney's Office, Child Abduction Unit.

6 There is also a criminal action against Reed Randoy in Vancouver Canada, relating to
7 several incidents where Reed Randoy assaulted his wife in front of their young child
8 and threatened her life.

9 At this time, the Vancouver Criminal courts are seeking a criminal protection against
10 Reed Randoy and he is currently out on bail and awaiting trial.

11 **Request for Orders**

12 1. Marieke Randoy is asking this court to protect and preserve her custodial rights
13 as outlined in this courts July 31st 2015 custody orders, so that she may exercise her
14 visitation this weekend and have the opportunity to celebrate her son's 4th birthday
15 with him.

16 2. Marieke is requesting the immediate dismissal of Reed Randoy's temporary
17 domestic violence restraining order against Marieke Randoy, which is currently
18 blocking her ability to exercise her visitation and access rights.

19 3. Marieke is requesting that this court deny Reed Randoy his request for sole legal
20 custody of their son and take the April 12th 2016, hearing on the matter off calendar.

21 4. Marieke is requesting that the court hold Reed Randoy in contempt of court for
22 repeatedly violating this courts custody orders and the almost complete denial of
23 contact with her son since this courts July 31st, custody hearing.

24 5. Marieke is also asking that the court modify the current custody and visitation
25 orders and grant her sole legal and physical custody of Hunter Randoy, in order to
26 facilitate the safe return of Hunter Randoy to his home in Vancouver Canada.

27 6. Marieke is requesting a change of venue for custody and divorce proceedings so
28 they may be determined in Canada.

The reasons for these requests for orders are outlined as follows:

Reed Randoy has violated every single custody order that was made by this court on July 31st 2015. Please see the attached police reports and detailed log of every violation. Since this court gave Reed Randoy the opportunity to have sole physical custody of the minor child, Reed Randoy has not exercised his "parenting time", has not provided their child with appropriate child care or living arrangements and has almost completely deprived his son and wife of contact. Reed Randoy denied her visitation during the Christmas holidays, and violated court orders when he took their child out of the state without Marieke's consent.

After Reed's arrest in Canada, he denied his wife phone calls with their son for 72 days in a row, and over 200 calls since the July 31st custody hearing. He claims that his bail conditions prohibit him from facilitating calls and visits with their son, however the bail conditions specifically state that he may only contact Marieke within the scope of communication required for complying with this courts custody orders.

This court made custody orders on July 31st, 2015 which gave Reed Randoy sole physical custody of the minor child Hunter Randoy, based on false evidence that was presented in court.

The court was not aware of the ongoing domestic violence and spousal abuse (physical, emotional, financial) that Marieke Randoy had been subjected to throughout her marriage to Reed Randoy.

Reed Randoy made several successful attempts to cover up the domestic violence and in particular the incident when she was violently assaulted by her husband Reed Randoy in front of their 2 year old son in Vancouver Canada. This incident where Reed Randoy choked Marieke Randoy was brought to the courts attention last summer, however it was buried when she neglected to ask the court for a domestic violence restraining order against her husband. The reason she did not initially press criminal charges against her husband for assault is because she did not want to adversely affect her husband's ability to maintain his relationship with their young son. Instead, Marieke Randoy chose to end the marriage and asked her husband for an amicable divorce.

Reed Randoy successfully buried the evidence against him and diverted the blame for the domestic violence, by falsely accusing his wife of domestic violence and in so doing, gained sole physical custody of their child. At the July 31st 2015 hearing, Reed Randoy took his request for DVRO "off calendar" and in effect allowed the evidence to go unheard, and the court unwittingly gave sole physical custody of a 3 year old boy to a violent man.

Since Reed Randoy had no evidence to support his initial false claims against Marieke Randoy, he began coaching their 3 year old son to say on camera during

1 Skype calls that when Marieke Randoy was flailing her arms and trying to stop her
2 husband from choking her, that "mommy was hitting daddy". Fortunately most of
3 Reed Randoy's attempts to use their son to falsely accuse Marieke Randoy of assault
4 were unsuccessful. Instead Hunter repeatedly recalled the incident the way it really
5 happened.

6 Since Reed Randoy decided to divert the blame and falsely accuse her of violence
7 towards him, Marieke had no choice but to file a police report against her husband
8 with the Vancouver police department. She provided the police and the Canadian
9 District attorney with photos of the bruises she sustained during the assault, as well
10 as text messages between her and her husband after the incident, where he
11 admitted to assaulting her in front of their son.

12 Since Reed Randoy had no prior criminal record, the Canadian courts decided to
13 issue a warrant for Reed Randoy's arrest and are seeking a criminal protection
14 order against him to ensure that he does not repeat his violent actions towards his
15 wife.

16 Signed under penalty of perjury
17 that all the statements made in this
18 Ex parte Declaration and Exhibits are
19 true and correct.

Log of Reed Randoy's Violations of Court orders from Superior Court of the State of California Case Number: BD621137 July 31st, 2015:

1. Child Custody:

b) In regards to joint legal custody, the parties shall **share information** relating to the health, education, and **welfare of the minor child**.

Violation:

1. In an email on February 9th 2016 Reed Randoy admitted to **blocking my number**. This is a violation of court orders because Reed Randoy **refuses to share information** with me about my son. He makes it so I have no way of contacting my child or finding out **about my son's welfare**.
2. Reed Randoy only allowed two uninterrupted calls between January 28th and the present time. A couple other calls were stopped by Reed or Reed's room mate by either grabbing the phone away from my son's hands as he's screaming and begging them to let him talk to me, or simply from turning off the wifi which is how they end the few video calls they have ever allowed.
3. My son told me that his nanny sleeps in the same bed with him. I have told this nanny directly that I do not permit this, but to no avail. My son has had to sleep with two nannies every night since approximately July 1st, 2015.
4. In an email on February 13, 2016 Reed Randoy states that he is going back to not allowing me any contact with my son, once again a violation of court orders that say I may know everything about the **welfare of my child**.
5. Reed Randoy did **not allow me any contact with my son** between **November 16th, 2015 to January 28th 2016. Approximately 72 days in a row I was not allowed any information about the welfare of my child. Between January 28th And April 1st Reed has only allowed 3 phone calls in approximately 60 days.**
6. Reed Randoy has given me absolutely **no information** about the **welfare** of my son since July 31st, 2015.

7. Reed Randoy does not permit me to have any information about **the women Reed files in from Norway, and hires to work illegally as our son's nanny while on 90-day tourist VISA's.**
8. All I know about them is that they **sleep in the same bed as my 3 year old son against his wishes and against me objections. I do not allow this, but I have no way of forcing Reed to stop doing this unless I call Child Protective Services, and I'm afraid to do this because they might put my son in a foster home.**
9. The first nanny: Heidi Halvardsson **worked illegally** as Hunter's 24/7 nanny from approximately July 2nd 2015, to September 15th 2015.
10. The second nanny: Ida Matthiessen **worked illegally** as Hunter's 24/7 nanny from September 29th until approximately January 15th 2016.
11. The second nanny Ida Matthiessen has now **returned** to the United States after a short trip to Spain over the Christmas holidays and has resumed working illegally in the United States as my son's 24/7 nanny.
12. **BOTH Heidi Halvardsson and Ida Matthiessen are aware that they are violating court orders and both actively deprive me of all contact with my 3 year old son. I believe their motivation is to enter the United States for the purposes of immigrating here illegally.**

2. Visitation:

The Court grants Respondent (Marieke Randoy) visits with the minor child every weekend and video calls with the minor child every night from 6:00 p.m. to 7:00 p.m.

Neither parent may take the minor child out of the State of California without permission from the other parent.

Violation:

1. April 1st Reed Randoy agreed to allow me to pick up Hunter from his Montessori school at 9:30 am. However Hunter was never dropped off at the school. Reeds Vehicles have all been moved to streets away from his residence at 3803 Esplanade Marina Del Rey 90292.

The Vehicle that Reed Randoy and Ida Matthiessen have used to abduct Hunter is a Black 2001 Ford Excursion. It has been modified and lifted with oversized wheels and tires. The license plate is 5TXB706. Hunter has been missing

January 29, 30, 31

I flew to Los Angeles for a weekend with Hunter. It cost me over \$2000. This is why I can't possibly see my son every weekend like the current custody orders dictate. I took Hunter to Disneyland on Saturday January 30th. Hunter begged me repeatedly to take him home. I had to explain that I'm not allowed to yet, but that he will be coming home soon. Very hard to explain to a 3 year old why he can't go home with his mom.

Hunter also told me that Ida (the Norwegian illegal nanny) sleeps in the same bed with him and he doesn't like that.

2. Reed Randoy has ignored all my attempts to make arrangements to visit and call my son between November 16th, 2015 and January 28th, 2016.

3. During the Christmas holidays, Reed Randoy took our son Hunter, out of the State of California to Seattle, Washington without my permission.

4. Reed Randoy did not permit me to see my son on Christmas Day, which is when I made arrangements to pick up my son at the LAPD Pacific Division at 10 am on Christmas day so I could spend the weekend with him. I drove 27 hours from Vancouver Canada to Los Angeles to see my son, only to find out the Reed had taken him out of the State to his family in Washington. I filed against complaint against him with the LAPD on Christmas day.

December 25th, 2015

Reed Randoy denied me my visitation over Christmas holidays. HE DISOBEYED COURT ORDERS by not allowing me visitation over the holidays. I filed a police Report at LAPD Pacific Division on Christmas Day. Incident # 151225002045

I then drove up to Seattle and filed an incident report with the King County sheriffs dept. I had Seattle police first check on Hunter at Reed Randoy's sisters house (Heidi Conahan), and then I went with Deputy Knight to check on my son at Reed Randoy's father's (Philip Randoy) residence. This is where the grandmother, Karen Phillips admitted that Reed and Hunter were staying with them and spent Christmas with them, but that she "didn't know where they were at that moment".

Between July 31st and November 16th, Reed continuously threatened to falsely accuse me of a felony so that I may only have "supervised visitation". This intimidation made me fearful to visit my son on weekends.

5. Immediately after the custody hearing on July 31st, when I went to pick up my son, Reed and his friend Jim Campbell (this is the friend who along with Reed Randoy and Elaine Dotts, Reeds mother; perjured himself and lied under oath when he claimed at a bogus ex-parte hearing on June 5th that I kidnapped my son and fled to Canada) called the LAPD and tried to have me arrested for trespassing because I stepped onto the front lawn when my son came running towards me after not being with me since his father took him away from me 31 days earlier, on July 1st. This was **Reed Randoy's first attempt to prevent me from visiting my son, only hours after the court orders were made.**

I waited over an hour for the police to arrive in order to prevent Reed and his friend from filing a false complaint against me.

**Phone Calls that have been DENIED
since the July 31st, 2015 California court orders, and log
of derogatory and disparaging remarks.**

As of April 1st 2016 Reed Randoy has deprived me, Marieke Randoy of over 200 calls with my 3 year old son Hunter Randoy since the July 31st Custody hearing. Since Reed Randoy's arrest in Vancouver, Canada, in November 2015, Reed Randoy has only permitted 3 calls in approximately 130 days. The calls he did allow previously were recorded, and incredibly stressful because Reed attempted to cover up past domestic violence by forcing our son Hunter to relive the night on February 28th, 2015, when Reed choked me in front of him. Reed has made many attempts to coach Hunter to say that when I was flailing my arms trying to get him to stop choking me, that "mommy was hitting daddy". Reed wants to use these recordings in court in order to get orders that would require that I only get "supervised visitation". In most of the recordings however, Hunter actually says what really happened which angers Reed who turns off the wifi and ends the call, or jumps in to "correct" Hunter's memory of the assault.

The Court orders stipulate that the calls must be unmonitored. However Reed has always monitored the few calls he allowed and interfered with the conversations between me and my son. My son would beg his father to let him come home to Vancouver and would beg me for reassurance that he will be coming home. His father would punish us for ever mentioning anything about coming home to Vancouver by simply turning off the wifi, or screaming and yelling and arguing during the calls. The phone calls were so incredibly horrendous. So painful and stressful. My son and I have never been separated before this. I have been fighting to bring him home and just wanted to reassure him that he would be coming home. He never sees his father, only on weekends for a few hours, he spends the rest of the time with nannies and in day care and has no contact with either parent because **Reed did not allow me to call my son when he is working 5-6 days a week — and only 3 times at all since November 16th — a week before he was arrested in Vancouver.**

I saw on Facebook that Ida Matthiesen has overstayed her tourist visa. She is still in Los Angeles and helping Reed deprive me of accessing my son. I also want want to file a complaint against her and the previous nanny Heidi Halvardsson for depriving me of my custodial rights and access to my child. Ida has overstayed her VISA and should be deported and never allowed back in the country and certainly never allowed to care for children. She announced on Facebook that she moved to Los Angeles on September 29th. I think this one plans to move to LA permanently. I have no idea where this woman sleeps since Reed rents one bedroom with one bed for himself and our son and this nanny. He did the same thing with the last nanny, and Hunter said he had to sleep with the last nanny.

Reed did not let me speak to Hunter.

I spoke with Crown Counsel Coupal yesterday. As far as I'm aware, Reed was released from jail today and returned to the custody of Canada Customs and Immigration who took his passport.

As far as I know he has not yet been released.

I left the nanny another voicemail tonight requesting that I speak to my son and she did not respond. From now on I am contacting the nanny directly to speak to my son.

November, 22, 2015

Reed did not let me speak to Hunter.

I left a voicemail at 6pm on the nanny's phone, requesting to speak to my son, and the nanny did not respond.

Reed continues to disobey all court orders.

I still do not know who cares for my son, and the exact address where my son lives.

I sent Hunter more toys and had to have them delivered to the UPS mailbox in Marina del Rey again.

November 21, 2015

Reed did not let me speak to Hunter.

There was a Canada wide warrant for his arrest relating to when he assaulted me in front of our son at our Vancouver home last February 28th, 2015. Reed was arrested upon arrival at Vancouver airport this afternoon, and taken into custody.

Reed did not let me speak to Hunter.

The calls are always so extremely stressful, with Reed shouting and coaching him. Hunter is very depressed and doesn't even want to talk to me. He would rather watch TV. When I asked if I could call back before bed, Reed refused.

November 16th, 2015

Reed left our son unattended in the bath tub for 10 minutes.

I didn't realize until 5 minutes into the call that Reed was not monitoring the call while my son was in the bath tub.

Reed has done this before during calls. I believe Reed is doing this so that I will be worried that my son will drown while in Reed's custody. It's another example of psychological abuse, and a way to make me feel helpless, and to demonstrate that he is in control and I am powerless against him.

It took another 5 minutes to coax my son to get out of the bath tub and get Reed. Reed simply returned, told Hunter to get back in the bath tub and hung up the call.

I have not been permitted to speak to my son since this call.

Reed did not let me speak to Hunter.

Reed told Hunter he can only speak to me for three minutes, Hunter was off camera most of the time and Reed was whispering to him. He told him out loud that he can't watch tv he has to talk to mommy instead. Basically wants to do everything to distract Hunter and make my son not want to talk to me. REED IS ALIENATING MY SON FROM ME.

Reed got into another heated argument. Incredibly stressful call. Hunter kept saying he wants to fly on a plane and go home to Vancouver. This infuriated Reed who hung up the phone.

October 29th, 2015

Reed did not let me speak to Hunter

October 28th, 2015

Reed let Hunter call at 10pm when he got home from work. He sleeps in the same bed with my son. It's been 4 months, and he still rents one room in someone else's apartment. Makes over \$12,000 a month but refuses to give my son his own bed.

My son has his own room in Vancouver, and his own bed that I made to look like a treehouse and during almost every call, Hunter asks me to show him his room and toys in Vancouver and begs to come home.

October 26, 2015

Reed turned the wifi off several times, made it impossible to have a conversation with Hunter, and argued with me the entire call, until he turned the wifi off and then didn't answer.

October 25, 2015

Reed turned the wifi off several times. He always does this so it's impossible to have a stress free conversation. When I called back, Hunter didn't want to talk, he kept looking over at Reed and "said daddy said to say goodbye, daddy said I have 3 minutes". Hunter then got very upset and said he wants to go home to Vancouver and that Reed's place is "not my house!" Reed turned the wifi off to drop the again and didn't pick up when I tried calling back.

October 24, 2015

Reed did not let me speak to Hunter.

He let the call "die" three or four times when he turned off the wifi, and argued with me the entire call. It was extremely stressful.

Reed is working very hard at alienating my son from me.

Reed has been coaching and manipulating my son in an effort to get one good recorded take where he tells me what happened 8 months ago when Reed choked me in front of Hunter, but tells it in a way that would (he hopes) benefit him in court. He's using our son in his desperate attempts to cover up all the abuse.

Turned the wifi off after a couple minutes so we lost the connection. (He does this on EVERY SINGLE CALL).. But he first made Hunter cry and spent the whole call that lasted a few minutes, either yelling at me or standing right next to Hunter so he was afraid to say anything. Hunter started to talk about the choking incident again as he does every single call. It is obvious that Reed is coaching him, trying to get him to change the story of what he saw.. All this is doing is torturing our son... He punishes our son by not letting him speak to me for days on end — five days in a row.. or more. But when he finally lets me speak to him the first thing Hunter talks about is when daddy was choking me. Reed gets angry and coaches him during the call because he's not saying it right. Reed is trying to get the perfect recording of Hunter changing what he saw that night. He forgets that he admitted over text messages a few days after it happened exactly what happened. He just wants to get his son, who was the only other witness to what happened to tell me what happened that night. Every single call my son talks about it — I never bring it up!!! My son opens the conversation with "Remember when daddy was choking you on the couch?.. And each time there are new details.. it's clear that Reed is feeding him and coaching him. My son is so afraid of him. I can see when he looks at Reed off camera and then says "bye mommy" and turns off the video.. and if he doesn't .. the internet goes dead and the video connection is lost. EVERY SINGLE TIME WITHOUT FAIL.

October 9, 2015

Reed did not let me speak to Hunter.

Reed got angry when Hunter begged him to let him go home to Vancouver. He told him that he can go when he is 18. He argued with me and got angry that Hunter talked about "Daddy choking mommy" and then he hung up so we couldn't talk on the phone.

Reed admits he moved to the Venice Canals but still REFUSES to give me his address or tell me who he is living with and who is caring for Hunter 24/7. Since July 1st 2015, I have repeatedly asked for information: photo ID, valid work permit, clean drivers license, child care references etc. everything that I have ALWAYS REQUIRED from a babysitter/ nanny since my son was born. I am still denied this basic important information that I'm entitled to have as a mother. I have Joint legal custody of my son and a court order that says I may see to him on

weekends and speak to him every night. Petitioner continues to ignore court orders and tries to collect my angry distraught text messages to use against me in court to prove I'm "crazy" and should only get "supervised visitation" with my son.

Yes only a few minutes. Hunter was very upset. The separation is really taking it's toll. When I asked him if he liked his school etc he said no. I know even if he does like school he doesn't

want to tell me that because he wants to come home. I told him over and over that I love him and I miss him and I'm so sorry about this and that I will see him soon and he said ok. I said "I PROMISE I will see you soon baby" . I couldn't tell him things like he will come home soon because Reed would hang up the phone and Hunter would get really upset.

I found out yesterday that Heidi Halvardsson is not a professional nanny. She has no experience with children and she is not a nurse. She is an unlicensed "masseur" that up until the July 1st hearing, lived in Norway. She is 45 years old and Reed doesn't want me to know anything about her. If he had nothing to hide, he'd have nothing to hide.

Your case will be assigned to a detective for follow-up investigation based upon specific facts obtained during the initial investigation. Studies have shown that the presence of these facts can predict whether a detailed follow-up investigation would likely result in the arrest and prosecution of the suspect(s) or the recovery of property, in a manner that is cost-effective to you, the taxpayer. Significant decreases in personnel have made it impossible for detectives to personally discuss each and every case with all crime victims. A detective will not routinely contact you, unless the detective requires additional information.

TO REPORT ADDITIONAL INFORMATION: If you have specific facts to provide which might assist in the investigation of your case, please contact the detective Monday through Friday, between 8:00 A.M. and 9:30 P.M., or between 2:30 P.M. and 4:00 P.M. at telephone number _____.
