SYLLABUS

This Report is a synopsis of my 21 year perpetual prophetic investigation of the red eastern star of Sheba, The Queen of The South

MYSTIC SHRINE

The T-Party, Eastern Star, and the Shriners, are covert arms of Sheba. Sheba seek to overthrow legitimate authority by what appears to be legitimate political means. It is part of an ancient Arabic Order calibrated for these current times. Sheba is an ancient biblical name for Southern Arabia, and Yemen. The emblem of Freemasonry's Shriners depicts Islam's crescent and eastern star that has been rotated from its eastern position to a prophetic southern position. This rotation signals the rise of The Queen of the South. The Shriners, who's official name is Ancient Arabic Order of Nobles of the Mystic Shrine, was founded in Mecca, Saudi Arabia in 644 some 12 years after the death of the prophet Mohammad.

The Arabic Order that was issued for the creation of a Mystic Shrine, was part of the Islamic Jihad to promote Islam, and undermine Christianity by disproving the resurrection. The Arabic Nobles would seek to do this by creating a bogus shrine that they alleged to contain the remains that are the skull and bones of Jesus. That shrine is identified on page 27 of this report. The scheme lead to the formation of two new appendages of Freemasonry that are called Skull and Bones and Shriners. The Eastern Star would come later.

The Jihadists borrowed similar words from the gospel of Matthew pertaining to the wise men and birth of Jesus, to deceive American women that their eastern star is the Little Star of Bethlehem for the infant Jesus. However, most women failed to understand the word FATAL that is written on the star until after they had taken their deadly **Obligation.** They are then held captive by terroristic death threats if they refuse to worship this eastern star of Islam. The threat is enforced by the sword which points west on the Saudi's flag. This terror is an intricate part of the global war on terror which today threatens the peace and security of our nation. The current budget and debt crisis of the U. S. , was manufactured by Sheba's T-Party as part of this **coup-de-tat.**

THE RISE OF THE QUEEN OF SHEBA

Sheba, operating covertly through the Shriners, has developed a special style by which it uses the Islamic crescent to print what appears to be the letter “T” as in TIME. It is a special Freemasonry sign for identifying news organizations who are part of the secret international network. They have infiltrated many, but not all, of the largest news organizations in the world. These organizations operate with what is called Janus faces. Janus is the Roman god of gates and doors with two faces. It is a sign of deception that they call “The Sign of The Times”. I have illustrated on this page how the New York Times uses Islam’s crescent for the letter “T”. They have moved into the political arena to try and take back to Gentile control the most powerful nation in the earth. Just as the Saudis rotated its crescent and star from east to south, they have also moved the sword on their flag from aiming eastward, to aiming westward. This is what is called the T-Party. Their printing and communication methods I have been tracking, studying, and documenting since the fall of the Soviet Union and its red star Mira.

The New York Times Magazine

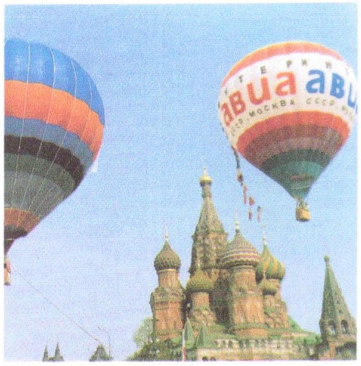

My Messianic and prophetic work has been carefully and uniquely prepared in both a spiritual and scientific format. Having done so has made it impracticable for anyone save and except the lunatic; to creditably call my work an error or unsubstantiated. My work began 21 years ago just three months after the fall of the Soviet Union and her red star Mira. Mira represents The Key of David. God hid this key which is represented by this star in multiple places. It has been hidden in the golden apple since creation as the fruit of the knowledge of good and evil. God placed it in the east of the Garden of Eden as a flaming sword (Genesis 3: 22-24). It can be found only by slicing the apple crosswise. This star became known as the Eastern Star and the flaming sword of the Islamic faith.

This report is a synopsis of what is perhaps the largest systematically assembled prophetic library ever created in prior or post-biblical times. I founded the Moscow Business Journal in Moscow, Russia as part of the methods by which this great prophetic work was documented, dated, and kept for these current times. A copy of the front cover from my first issue is duplicated on my opposite page. It is dated May 1992.

The Key of David Project is a Divine call for specific performances by the U. S. and its G-7 industrial partners. This includes Russia, who is the eight, but is one of the Seven. I have included these specific performances on page 33 of this report. These Divine obligations are inherent, and cannot be dismissed nor circumvented.

The Vatican and the Roman Catholic Church has perhaps the best historical and biblical library anywhere in the world. The document excerpted on my opposite page was taken from the Roman Catholic Church Encyclopedia Dictionary. At the bottom of the first column they confirm that Sheba is a country and people of South Arabia. I have included this information for the benefit of those who are not acquainted with Sheba as being an ancient name for South Arabia. When the name Sheba is used in this paper, it is referring to Saudi Arabia, and the whole of Islam which makes up the Arab League.

The document below is a duplication of the official mail from an Eastern Star chapter. It was given unto me by a former Eastern Star member who was held captive by Terror. It has the U. S. Postal Seal and cancellation set upon it for validation. The Islamic Eastern Star sits in the upper left corner where the cabalistic word **FATAL** sits within the five vertexes of the five-pointed star. The letter "C" in the word **"CHAPTER"** on the post card below was also made from the Islamic crescent. In the mid-upper right hand corner on the post card appears "Easter Star Queen Of The South". The Queen of the South alludes to Saudi Arabia.

SUBJECT	BOOK	CHAP.	VERSE	PAGE

SERVER. One who ministers to the priest at Mass. This duty properly belongs to an acolyte.

SERVILE WORK. The word "servile" referred to the work of a slave and came to have the meaning "work of the body" as opposed to "work of the mind." In our society with increased mechanization the meaning is somewhat shifting. In effect it seems to refer (now) to work done as gainful employment. The office worker who gardens as a hobby is probably not in conflict with the intention of the law. Legitimate excuses to work on Sunday include the works of charity and religion; private or public necessity; and recreational activities.

SETH. *substituted.* A son of Adam who was born to compensate for Abel whom Cain slew. Seth became the father of Enoch, and he died at the age of 912. He is mentioned in the genealogy of Christ.

A substitute for Abel	*Gn	4	25	4
	Gn	5	3-8	5
Ancestor of Christ	*Lk	3	38	1023

SEVEN DOLORS. The seven sorrows suffered by Our Blessed Mother because she was the mother of Christ. They are: (1) the prophecy of Simeon; (2) the flight into Egypt; (3) the three day loss of Jesus; (4) the meeting with Christ on the way to Calvary; (5) the Blessed Mother standing at the foot of the Cross; (6) the descent of the Body of Christ from the Cross; (7) the burial of Jesus Christ. A Novena to the Sorrowful Mother promoted by the Servite Fathers has become nationally popular. Partially as a result of this devotion nurtured at Our Lady of Sorrows Church in Chicago, Illinois, the Holy Father raised the Church to a basilica.

The seven dolors also are commemorated in Masses on the Friday in Passion Week and the 15th of September, and also in the rosary.

SEXT. One of the day hours of the Divine Office. Literally it means sixth, and is said about midday.

SEXTON. A corruption of the word, sacristan; also another name for a church caretaker or janitor, or one who rings the outside church bells.

SHADRACH. *command of the (god) Aku.* The name given to Hananiah, one of Daniel's three companions.

Name given Hananiah	*Dn	1	7	888

SHALMANESER. 1. Shalmaneser II (859–824 B.C.), the son of Assurnasirabal II. He established the Assyrian Empire from the Caucasus to the Persian Gulf, and from the land of the Medes to the Mediterranean.

2. Shalmaneser IV (726–722 B.C.), the son of Tiglath-Pileser III. He made Israel a vassal country when Hosea, the last king of Israel, came to the throne (732–722 B.C.).

Laid siege to Samaria	*2 Kgs	17	3-5	301

SHAME. A sense of degradation caused by consciousness of a fault. Our first parents felt this emotion after their sin, and they tried to dispel the feeling by covering themselves with fig leaves. It may be aroused by various kinds of sins, such as immodesty, stealing, idleness, disobedience, etc. Shame was regarded in the Scriptures as divine punishment, and the just were assured they would be spared this experience.

SHEALTIEL. The father of Zerubbabel and an ancestor of Christ. Elsewhere, Zerubbabel's father is given as Phadaia, the brother of Shealtiel. Shealtiel was the son of Neri, or of Jechoniah, king of Judah. The levirate law or adoption may be the explanation for these discrepancies.

SHEBA. A country and people of south Arabia. They exported frankincense, gold, precious stones, and spices. The Queen of Sheba visited Solomon to view his wealth and hear his wisdom. Various inscriptions indicate there was a Shebaean Kingdom in south Arabia (B.C. 950–115 B.C.). Christ referred to the Queen of Sheba as "the queen of the South."

SHEEP. The hollow-horned ruminant of the genus *Ovis.* Among all the ancients the sheep was the foremost among domesticated animals; sheep-raising held a prominent place in the days of Job, of Abraham, of all the patriarchs, and throughout the history of Israel. Sheep were highly valued for food, for rich milk, for sacrificial uses, and both its wool and hides were used for clothing. Shepherding sheep, guarding and protecting them, providing adequate pasture, and otherwise caring for them held the highest rank in agricultural activities among the Israelites. Because of the distinctive characteristics of sheep the term is often employed figuratively in the Scriptures.

This page and my opposite page shall be used to make both a spiritual, and scientific confirmation of my testimony enclosed in this report. To do this I will show that the Islamic and Communist Red Stars both have a Biblical and Scientific origin that has been sealed until this report. On this page under the heraldry for the nations, the five-pointed star of Islam is classified scientifically as a **Mullet** to allude cunningly to what Jesus called the "Sign of Jonah". The Mullet alludes to a red fish, and the Sign of Jonah alludes to the red star Mira that is located in a whale-shaped constellation called Cetus. Jesus tied the Sign of Jonah, the Sign of the Times, and the Rise of Sheba; all into a single prophesy that he recited slightly different in each gospel that they may collectively reveal a truth that has now come to pass. Jesus spoke of a red sky to allude to this red star that would signal this message and his second coming. These scriptures and the foretold judgment of Sheba shall begin now.

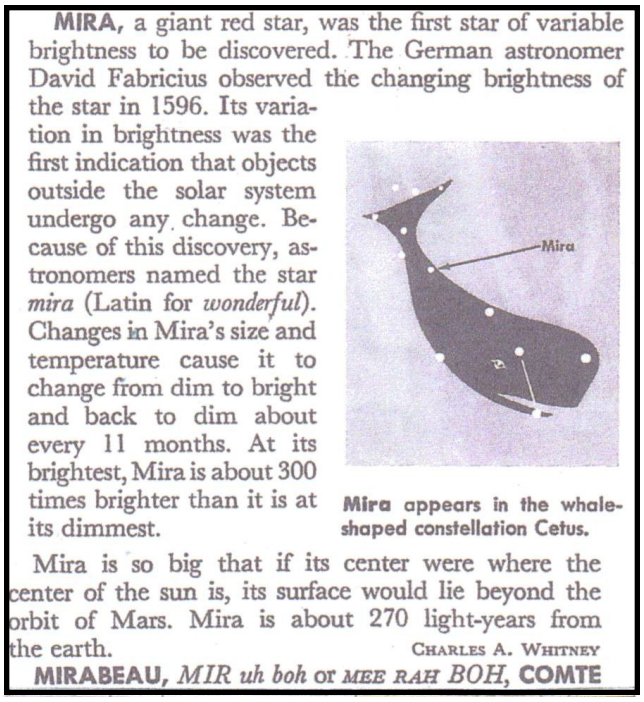

Matthew 16: (***1) THE Pharisees also with the Sadducess came, and tempting desired him that he would show them a sign from heaven. (2) Be answered and said unto them, When it is evening, ye say, it will be fair weather; for the sky is red. (3) And in the morning, it will be foul weather to day: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times? (4) A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas. And he left them, and departed.*** (Next Jesus codifies the rise of Sheba with the men in this judgment).

Matthew 12: ***(38) Then certain of the scribes and of the Pharisees answered, saying, Master, we would see a sign from thee. (39) But he answered and said unto them, An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas; (40) For as Jonas was three days and three nights in the whale's belly; so shall the Son of Man be three days and three nights in the hearth of the earth. (41) The men of Nineveh shall rise in judgment with this generation, and shall condemn it: because they repented at the preaching of Jonas; and, behold, a greater than Jonas is here. (42) The queen of the south shall rise in the judgment with this generation, and shall condemn it: for she came from the uttermost parts of the earth to hear the wisdom of Solomon; and, behold, a greater than Solomon is here.*** (Note the judgment of the queen and her oil comes next in Revelation).

THE JUDGMENT OF THE QUEEN AND THE OIL INDUSTRY

Revelation 18: **(*1) And after these things I saw another angel come down from heaven, having a great power and the earth was lighten with his glory. (2) And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the hold of every foul spirit, and a cage of every unclean and hateful bird. (3) For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies, (4) And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. (5) For her sins have reached unto heaven, and God hath remembered her iniquities. (6) Reward her even as she***

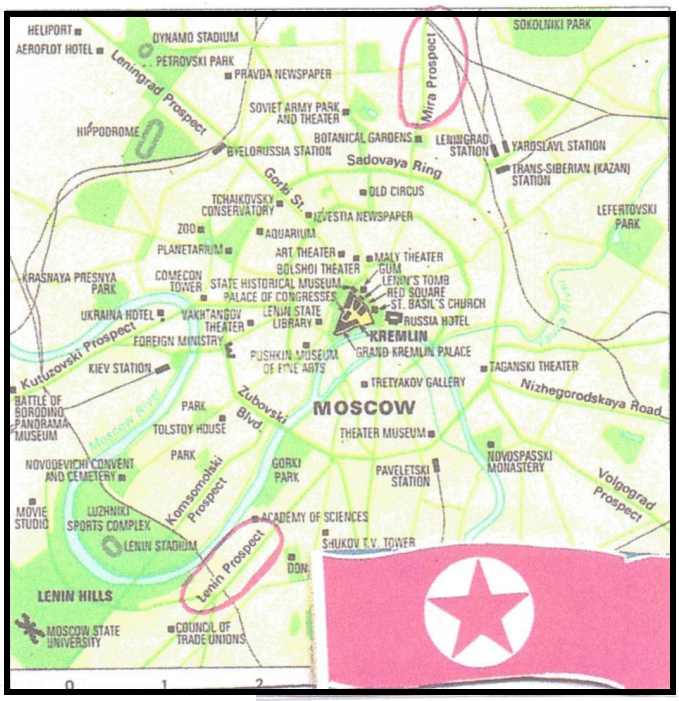

MIRA, a giant red star, was the first star of variable brightness to be discovered. The German astronomer David Fabricius observed the changing brightness of the star in 1596. Its variation in brightness was the first indication that objects outside the solar system undergo any change. Because of this discovery, astronomers named the star *mira* (Latin for *wonderful*). Changes in Mira's size and temperature cause it to change from dim to bright and back to dim about every 11 months. At its brightest, Mira is about 300 times brighter than it is at its dimmest.

Mira appears in the whale-shaped constellation Cetus.

Mira is so big that if its center were where the center of the sun is, its surface would lie beyond the orbit of Mars. Mira is about 270 light-years from the earth.

rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double. (7) How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her hearth, "I SIT A QUEEN, AND AM NO WIDOW, AND SHALL SEE NO SORROW". (8) Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. (9) And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning. (10) Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! For in one hour is thy judgment come. (11) And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more: (17) for in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off. (18) And cried when they saw the smoke of her burning, saying, What city is like unto this great city. Note: The ancient city of Nineveh which God promised to raise up in judgment is 230 miles north of Baghdad, Iraq which is also ancient Babylon).

Mira is one of 12 boulevards in Central Moscow forming what is called the Sodovaya Ring. Mira is located north where I have circled it in red. These 12 streets represents the twelve stars that are located in the whale-shaped constellation of Cetus. These graphics and parts of this critical illustration will be repeated again because of both its' complexity, and also its' importance. My additional illustrations shall confirm that God has raised up the ancient King of Babylon as the Founder of the Soviet Union.

The Order of the Eastern Star was introduced in America by Robert Morris. Morris is described by Masonry as a Masonic Poet-Laureate because of his poem titled “The Eastern Star”. Morris speaks skillfully and cunningly in his first stanza of the poem about finding place for another grace. He writes that he will not go back in history past for a model of this new grace; instead, he says he will fill the measure of this eastern star. He is speaking of the biblical Little Star of Bethlehem. Yet he did go back in history past, by using the grace of God for his counterfeit grace. He writes:

If there be lacking anything within this Starry group,
If there is place for other grace amidst the radiant troupe,
I’ll not go back on history’s track to find a model dear,
But crave your light, dear ladies bright, who grace my birthday here;
And so I’ll fill the measure of the Eastern Star!

It was this counterfeit grace which the Lord warned of when he described the beast with two horns like a Lamb, but spoke like a dragon leading the people into captivity, (Revelation 13: 10-18). These two horns are those on the Islamic crescent. It is written that those who refuse to worship the beast must be killed. This prophesy is fulfill by the word FATAL that is written on the star, and the sword seen on the Saudis’ flag. Will this Congress and government allow this subversive religious fraud to prevail against our women and children by employing the doctrine of silence, and inaction?

The Chapel

The Chapel is a room of outstanding beauty with its gray walls, with gold leaf trimmings, ornamental frescoes with burnished gold medallions, and its glass doors, reaching from ceiling to floor. The furniture is upholstered in Aubusson on satin. The pulpit, in gray and gold, and small French chairs upholstered to match the hangings of antique satin are in a rich red shade.

Honor Roll Room

The Honor Roll Room is between the Drawing Room and the State Dining Room, and has two large wall cabinets with paneled glass doors. These Cabinets will contain the name of each Grand Chapter and the name and number of each Chapter contributing an amount equal to ONE DOLLAR per member.

Drawing Room

The Drawing Room with its gold brocaded hangings, its dainty and beautiful French hand-painted panels, its Aubusson rug, French cabinets and furniture, is a thing of beauty.

State Dining Room

The State Dining Room is outstanding. The ceiling was purchased and brought here from a Doge's Palace on the small canal in Venice, and the room in which it was first built was here reproduced. Its hand-carved marble door and window casings, marble floor and wainscoting are very beautiful. The mantel in this room was also brought from an old Palace and is over 800 years old. The Torcheres were purchased with the Temple. The Banquet table, 5 x 18 feet, is admired by everyone.

The Visitor's Register

This Register and Pedestal was the gift of a Past Grand Patron of Michigan who made the book himself and sent it for use at the time of Dedication.

Gift Register

Only gifts of money can be accepted now that the Temple has been furnished. Articles may be selected from those already here as gifts and upon payment of such sums as represent the value of the article selected the name of the donor will be recorded in the beautiful Gift Register. This beautiful hand-made book already contains a list of generous contributions made by members, groups, Chapters and Grand Chapters.

THE EASTERN STAR

By Brother Rob Morris, *Masonic Poet-Laureate*

If there be lacking anything within this Starry group,
If there is place for other grace amidst the radiant troupe,
I'll not go back on history's track to find a model dear,
But crave your light, dear ladies bright, who grace my birthday here;
And so I'll fill the measure of the Eastern Star!

The sparkling eye, the fairy form, they shall my muse inspire;
The singing tongue the sacred song, awake my humble lure;
The tripping feet in mazes fleet their mystic spell shall cast,
And all shall say, "The Present day is better than the past!"
And so I'll add new splendor to the Eastern Star!

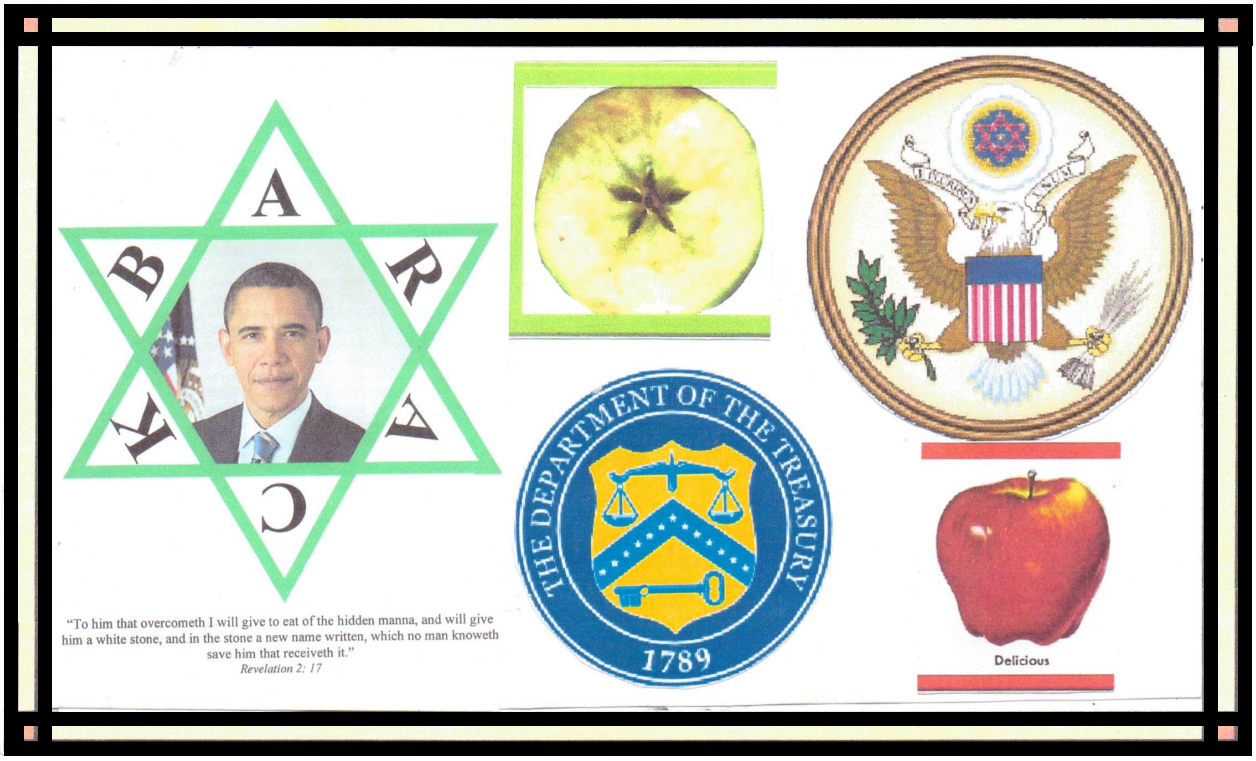

From mothers here and maidens dear I'll borrow many a grace,
In all this earth there is no worth like that, that a woman has;
Last at the Cross, in lingering hope by Jesus, the adored;
First at the Grave, in eager haste to magnify their Lord;
From these I'll take fresh brilliance for the Eastern Star!

In each home circle, where the wife keeps household lamp alight,
From sister's vigilant eye that guides the brother's steps aright,
From mother's knee where childhood learns its one effectual prayer,
If I indeed a lesson need I'll find that lesson there,
And it will give rare glory to the Eastern Star!

Lastly, I'll seek the happy dead, that grave, I know it well,
How fondly loved my Ella was, ah me, no words can tell
I know the answer that will come from you, bright maiden, blest,
"They who with Jesus suffer here shall have eternal rest."
This overfills the radiance of the Eastern Star!

This star representing the Key of David is one of the 13 stars on the U. S. Great Seal that are grouped into the geometrical formation of the Star of David. When twelve of these five-pointed stars are connected by drawing lines to form two equilateral triangles for the Star of David, all 12 will connect save and except the G-7 star lying in the center or keyhole position. This G-7 star acts as a key. It is the lone star representing the Key of David which has been hidden since the foundation of the world.

The U. S. Great Seal is the substance of a stone which was hidden symbolically since the fall of Israel's Southern Kingdom of Judah to the Babylonian King Nebuchadnezzar. When this stone is found by God revealing it to His messenger unto the nations, it acts as a key which identifies God's messenger, and the coming of the Throne of David. It is therefore called a Keystone. It is the Divine favor given to the U. S. at Philadelphia, Pennsylvania. This inspired the nickname for Pennsylvania

which is called the Keystone State. Jesus' promise to give this stone to he who overcome in Revelation 2:17, inspired the theme song for black Americans during their struggle for freedom, justice and equality. Dr. Martin Luther King called this stone the Stone of Hope. A fitting symbol for it is now the centerpiece of the MLK National Memorial at our nation's Capitol. The Stone of Hope, and the Star of Hope both relates to the glory of our Lord Jesus Christ. Like this star, this stone has remained hidden until now.

Revelation 2: (17) To him that overcometh I will give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth save him that receiveth it.

Just as this eastern star revealed the Lord's birth to the Roman King Herod, it is also the star that shall reveal this messenger to the nations. The inside cover of my Boardman and Holman reference bible on my next page, uses this star in a subtle way to identify the Messianic Prophesies in their King James Bible. They alert and remind a certain group of people that this star shall identify God's messenger. These men have **special instructions** to hear, and be silent. Its called audi-vicitace in Latin. The secret Chicago oracle will reveal America's 44th President as King David.

The creation, the exodus, and the resurrection are the underpinnings of Christians and Jewish faith. This star hidden at creation, and this stone that was laid before Joshua, bare witness to all three events. My opposite page 6 is included to illustrate how Boardman and Holman Publishers placed the five-pointed star to identify Messianic Prophecies. This illustration should be paramount. I have copied Messianic scriptures from the third and sixth chapters of Zechariah, and also from Isaiah chapter 11. Each verse is identified as Messianic by the five-pointed star.

Zechariah 3 identifies the stone laid before Joshau in the Jordan as being the token that shall identify God's Messiah. Isaiah 11: 10 refers to an ensign that bring glory to the Gentiles. It is the five-pointed star which is the Star and Stone of Hope.

The national symbol of Saudi Arabia combines the two swords from its two flags. One points eastward and the other point westward to form the Hebrew Taw (X or T). Thus the T-Party.

Zechariah 6: 12-13 illustrated on my opposite page reveal my charge to rebuild the Temple of God. The Stone and Star of Hope are tokens of that Divine charge which is opposed by the Saudis and Islam. Jesus' passion on the cross represents the Tree of Life. It is what inspired Palm Sunday. The Palm branches laid before him when he road into Jerusalem, signaled a sign of his second coming. The Saudi national emblem of the Date Palm between the double swords, symbolizes their opposition to both, Christ, and the rebuilding of God's Temple. This symbol refers to the Tree of Life in the Garden of Eden; and the same appears in each room of the coming temple as envisioned by Ezekiel. The two swords represents the two cherubs that were set on each side to keep the way of the Tree of Life. The corresponding scriptures follows this important illustration.

<u>Genesis 3:</u> (22) And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever. (24) So he drove out the man; and he placed at the east of the garden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

The revelation of this mystery that was preserved to confirm God's creation, signals the date to rebuild God's Temple. Such is the name Date Palm. Therefore this palm situated between Cherubs appeared in each room of Ezekiel's coming Temple.

<u>Ezekiel 41:</u> (1) Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits on the other side, which was the breadth of the tabernacle. (18) And it was made with cherubims and palm trees, so that a palm tree was between a cherub and a cherub; and every cherub had two faces; (19) So that the face of a man was toward the palm tree on the one side, and the face of a young lion toward the palm on the other side. It was made through all the house round about.

The two faces of the cherubs signals the deception of man now underway this day.

We are the Two Witnesses for God as promised in Revelation 11:3-19. We're both plural and singular. It is a mystery which one should not burden himself to understand. As a Witness for God, my charge is to confirm the truth of the basis tenets of the Christian and Jewish belief. This includes God's creation of all things; the exodus of Israel from Egyptian captivity, and the resurrection. These are all done by the Stone and Star of Hope which some men call the Stone of Destiny, or the Stone of Scone, Scotland. It is the stone which Scottish, and British Kings and Queens were seated upon for many centuries before it was given to America by the favors of God. These stones are both singular and plural. Although there are twelve, yet there can only be One. That One is Jesus Christ who is One that was born King of Twelve.

The Coronation Chair in Westminster Abbey was built to enclose the *Stone of Scone*, which Edward I seized from Scotland in 1296.

God hid this stone which Jesus called a white stone with Nebuchadnezzar the King of Babylon, and promised to set his throne upon them in the last days. His seat on the throne would metaphorically be his horse. This is the origin of what is called the white horse when the Seven seals are opened. These are the national seals of the United States and it's G-7, and G-8 Partners. Russia is the eight, but it is one of the seven. It's national emblem which is the white horse seen on it's Seal, is symbolic of this white stone. God raised up the Babylonian King whom he hid this stone as the Founder of the Soviet Union. He was given a new name. He is Vladimir Lenin.

<u>Jeremiah 43:</u> (7) Then came the word of the LORD unto Jeremiah in Taphanhes, saying, (8) Take great stones in thine hand, and hide them in the clay in the brickkiln, which is at the entry of Pharaoh's house in Tahpanhes, in the sight of the men of Judah; (10) And say unto them, Thus saith the LORD of hosts, the God of Israel; Behold, I will send and take Nebuchadrezzar the king of Babylon, my servant, and will set his throne upon these stones that I have hid; and he shall spread his royal pavilion over them.

This stone was first given to the Romanovs of Russia who ruled until the October Revolution of 1917 when Lenin came to power. That white stone then became a red stone represented by the communist red star Mira. Vladimir Lenin became known in secret circles as the Marlboro Man because of this marble stone which God hid with him. The speechless and silent cowboys in Marlboro commercials; symbolized horses, and their riders of the apocalypse when these Seven Seals are opened. My cover page from my July 1993 article of the Moscow Business Journal on the opposite page, confirm how I began to document this mystery of the white stone, and apocalyptic horses and their riders.

MOSCOW'S GARDEN OF EDEN WITH RED STAR MIRA

The name and origin of the Soviet's and communist red star has remained sealed along with its other mysteries until our testimony. Jesus spoke a parable concerning this red star referring to it as the **"The Sign of The Times".** He responded with the parable when the Pharisees and Sadducees desired to tempt him. The name of the Red Star is Mira. It is a Latin name meaning **Wonderful** which is one of the names from the prophesies of Isaiah for Jesus, the Messiah. God hid it wonderfully in the apple at creation.

Isaiah 9: ***(6) For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called WONDERFUL, COUNSELLOR, THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE.***

MIRA, a giant red star, was the first star of variable brightness to be discovered. The German astronomer David Fabricius observed the changing brightness of the star in 1596. Its variation in brightness was the first indication that objects outside the solar system undergo any change. Because of this discovery, astronomers named the star *mira* (Latin for *wonderful*). Changes in Mira's size and temperature cause it to change from dim to bright and back to dim about every 11 months. At its brightest, Mira is about 300 times brighter than it is at its dimmest.

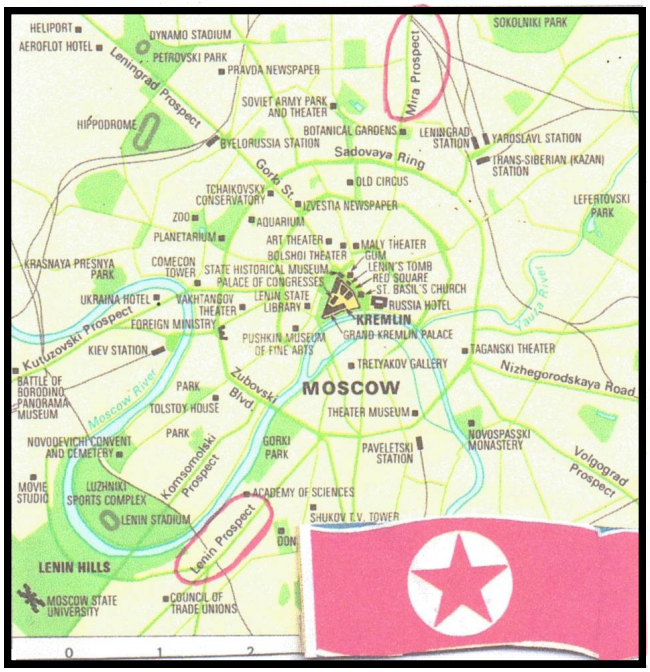

Mira appears in the whale-shaped constellation Cetus.

Mira is so big that if its center were where the center of the sun is, its surface would lie beyond the orbit of Mars. Mira is about 270 light-years from the earth.

CHARLES A. WHITNEY

MIRABEAU, *MIR uh boh* or *MEE RAH BOH*, **COMTE**

The Soviets built a replica of the Garden of Eden that is called the Sodovaya Ring. The English translation is Garden Ring. It consist of twelve boulevards which starts in the center of the ring which is called the Kremlin, and these run to 12 different Moscow suburbs. Each boulevard is lined with apple trees to symbolize the mystery of this red star hidden by God in the Garden of Eden; and given unto the raised Babylonian King as his Divine power and authority. Mira is one of the twelve boulevards that sits as a North Star.

The twelve boulevards represents the twelve stones laid in the Jordan before Joshua as a memorial confirming Israel's exodus from Egyptian slavery, (Joshua 4: 1-24). God also set these twelve stones in the heavens in the constellation Cetus. Cetus is Latin which means the whale. Jesus called this mystery the sign of Jonah when he spoke a parable after being tempted to show a sign from heaven.

Matthew 16: ***(1) The Pharisees also with the Sadducees came, and tempting desired him that he would shew them a sign from heaven. (2) He answered and said unto them, when it is evening, ye say, It will be fair weather: for the sky is red. (3) And in the morning, It will be foul weather today: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky; but can ye not discern THE SIGN OF THE TIMES? (4) A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonah.***

The sign of Jonah alludes to the sign of the Whale. This is Mira which is the sign of the Times. I collected the first issue of the Moscow Times when I arrived on March 7, 1992. It depicts the rider on the White Horse who is the sign of the Times.

NOTE: The Key of David opens The U.S. Great Seal, and the national seals of its G-7 and G-8 Partners. Russia joined the G-7 after the fall of the Soviet Union becoming number eight but is one of the Seven. Their membership fulfills the prophesy of Revelation 17: 11, saying;

(11) And the beast that was, and is not, even he is the eighth, and is of the seven and goeth into perdition.

THE CHICAGO ORACLE IDENTIFIES KING DAVID AND GOD'S MESSENGER

The phrase **"upon his shoulder"** is a secret phrase throughout the bible which prepared the way for the revelation of the raised King David, God's Two Witnesses unto the nations, and Our Savior Jesus Christ. These four are symbolized by the four Stars of David on the Chicago City flag. The Levite Priests were instructed to take up the 12 stones representing the Key of David, and place these **"upon their shoulders",** (Joshua 4: 1-24). God spoke through the prophet Isaiah saying, ***"And the key to the house of David will I lay upon his shoulder, so he shall open, and none shall shut; and he shall shut, and none shall open", (Isaiah 22:22)*** It is also written in Isaiah 9:6, saying ***"And the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace."*** Therefore

CHICAGO, Ill., is the second largest city in the United States and the nation's leading industrial and transportation center. Over 3 million persons live in this energetic city along the southwest shore of Lake Michigan. Only New York City has more people. The Chicago area produces more steel, more cookies and candy, more radios and TV sets, and more paint and machine tools than does any other area of the country. Trucks and railroad cars carry more goods in and out of Chicago than in and out of any other U.S. city.

The American poet Carl Sandburg called Chicago the "City of the Big Shoulders." And the city does do things in a big way. For example, Chicago has the world's tallest building, largest grain market, biggest post office building, and busiest airport.

this **upon his shoulder"** was Divinely incorporated into the Chicago Oracle which is not known to any man because it was reserved as a password for my message unto the nations. No man knows the true origin of the name Chicago. It is made up of two words to verify and identify the Key of David, and its messianic personalities. The two words which comprise the name Chicago is the Greek word **"Chi"**, and the Japanese **"Kago"**. Kago is a Japanese covered couch made of basketwork and slung on a pole to carry on the shoulders of bearers. The word is hidden by substituting the phonetic sound of **K with C** to become cago. The kago is also called a palamquin. It is used to symbolize the Key of David placed upon the shoulder of the Messiah.

The Greek **"Chi"** which is shaped like an "X" for "Christ", and is called a **Saltire** in heraldry, alludes to the **Salt** covenant God made to give the Kingdom of Israel over to David and his sons forever. **(2 Chronicles 13:5)**. The two words were then joined to make the name **"Chicago"** as a messianic password for this special message. The article excerpted above on Chicago, and written by **Lois Wille** for Worldbook, mentions that the American poet Carl Sandburg called Chicago the "City of the Big Shoulders". The African Country of Burundi speaks by symbolism that the King of the Salt Covenant would have roots in Africa. The Saltire with three Stars of David within a circle represents this prophetic mystery. The circle represents Gilgal which means stone circle.

HOW KING DAVID'S NAME IS CODED ON CHICAGO'S CITY BANNER

King David ordered that cymbals, which are encrypted to be symbols; be used cunningly to prophesy, (1Chronicles 25: 1-7). Such Divine prophesies are the substance of City, State, and National Seals that are called heraldry. In Psalms 60, David wrote these following words about the banner which bares the messianic ensign prophesy for the nations: ***Psalms 60:*** ***(4) Thou hast given a banner to them that fear thee, that it may be displayed because of truth. Selah. (5) That thy beloved may be delivered; save with thy right hand, and hear me.*** "Beloved" is a biblical code name for David. The words **"dear"** and **"beloved"** are synonymous. Therefore the four Stars of David are said to represent Fort Dearborn on Chicago's city banner, but it symbolizes David's birth.

Tom Kinney

The Skyscrapers of Downtown Chicago form a magnificent backdrop for the city's beautiful Lakefront. The world's tallest building, the 110-story Sears tower, rises at the left.

Worldbook's section on the meaning of men's names, states that the name David means **Beloved, Friend,** and **Commander** such as America's Commander-in-Chief. **"Dear"** is defined as meaning much loved, or beloved. The mystery of the Key of David which God hid in the Garden of Eden at creation, forms the basis for the Latin phrase on Chicago's seal. The phrase is **"Urbs in Harto".** It means City in a Garden which alludes to the Garden of Eden. The two blue stripes is said to represent the Chicago River and its two branches. Israel has the same two blue stripes on its flag and the Chicago River does not reach to Jerusalem. The two horizontal bars represents the Two Olive Branches which are the Two Messianic Witnesses for God, unto the nations. (Revelation 11: 1-19).

This Star of David on the city flag of Chicago, was hidden on the U. S. Great Seal by grouping 12 of its' 13 stars into the geometrical formation of the Star of David. All of this worked together as a complex prophesy in heraldry that is now made simple. The banners' symbolic prophesy signals that the resurrected King David shall be Dearborn; and that he shall come to our nation's Capitol via Chicago. This prophesy was recorded into my prophetic diary at **1:30 a.m. on October 1, 1998** as the **"Gentleman From Illinois"**. This prophetic title says he would rise first as an Illinois Senator. Jeremiah spoke of God raising King David up, and prophesied as follows:

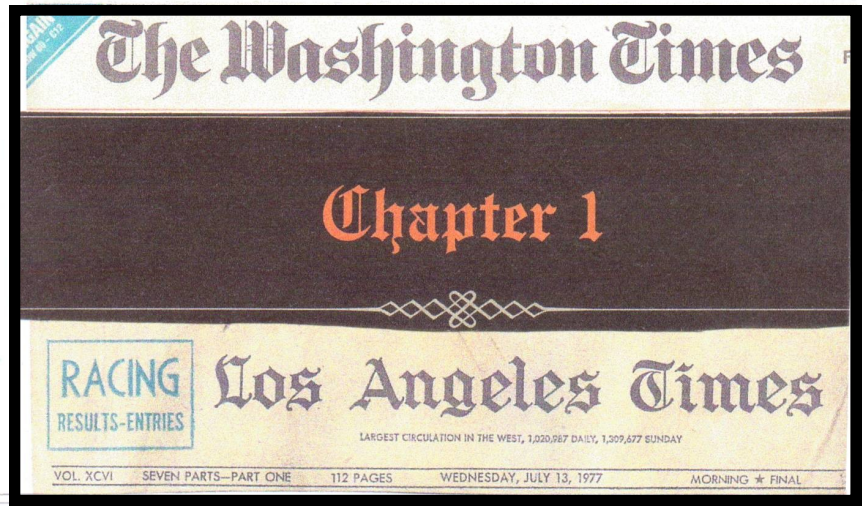

Jeremiah 30: ***(7) Alas! For that day is great, so that none is like it: It is even the time of Jacob's trouble; (8) For it shall come to pass, saith the LORD of hosts, that I will break his yoke from off thy neck, and will burst thy bonds, and strangers shall no more serve themselves of him: (9) But they shall serve the Lord their God, and David their king, whom I will raise up unto them.***

JACOB'S TROUBLE IS WHAT IS CALLED THE SIGN OF THE TIMES

The Saudis, through Islam's Shriners and Freemasonry, have put in place watchers for the revelation of the mystery of its eastern star. Upon such revelation they intend to implement the message carried by it's crescent which is also what they call the sickle or sword. It symbolizes Death. The word FATAL which rides on this pale horse which is called the Eastern Star, is the fourth prophetic Horse Rider of the Apocalypse, who is called **DEATH** followed by **HELL.**

Revelation: 6: ***(7) And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. (8) And I looked, and behold a pale horse: and his name that sat on him was DEATH, and HELL followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*** This sword is the one appearing on Saudi's flag.

The fourth part is intended to show that our Creator is aware that the other 3/4 of the earth is covered by water. He has given us as His Two Witnesses power over water.

Revelation 11: ***(3) And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth. (4) These are the two olive trees, and the two candlesticks standing before the God of the earth. (3) These have power to shut heaven, that it rain not in the days of their prophesy; and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will.***

I have studied the printing methods for that which Islam calls the **"SIGN OF THE TIMES".** The Islamic Crescent is used for the "T's" in the words **THE** and **TIMES.** I have positioned above an enlarged crescent from the New York Times. There is little difference in the emblem for **"T"** in **TIME,** and the **"C"** that is used by the Eastern Star in Chapter. They both uses the crescent with the letter **"L"** for **LIFE**. The **"L"** is positioned upside down to symbolize all **LIFE** on earth having been cut down and brought to an end by the sword. The two horns of the crescent is used to describe a beast. The 13th chapter of Revelation describes the Saudis' sword and a two horned crescent.

Revelation 13: ***(9) If any man have an ear, let him hear. (10) He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience of the saints. (11) And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. (15) And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.*** There is no difference between Lenin's crescent and red star, and the crescent and star of Islam. Power has been given unto him over all.

When I arrived in Moscow on March 7, 1992, I walked down into the earth below Red Square to see the image of the beast that many lined up to worship. It is the same image which God showed to the Babylonian King in a dream which dream, was interpreted by the prophet Daniel. The stone which appeared in the dream is the same stone illustrated below as the G-7 Master Mason Cornerstone. It has the new name for the resurrected Babylonian King written therein. The compass and square are the methods for expressing the initials "VL" for Vladimir Lenin. The square is the method for expressing the English letter "V" for Vladimir; and the compass which looks like an upside down "V" is the method for expressing the Russian "L"

The hammer and sickle are the emblems prophesied by Jeremiah as being the emblems for Babylon in the last days. These are found in Jeremiah 50: verses 16, and 23.

Uproar over Lenin's body fans intrigue

By Barry Renfrew
Associated Press

MOSCOW – It sounds like the plot for a cheap thriller: a conspiracy to snatch Lenin's body from his Red Square tomb and bury it in the middle of the night so Boris N. Yeltsin can stay in power.

But that is the feverish scenario sweeping Russia's media and political circles, amid speculation that Yeltsin is looking for ways to outlaw the Communist Party – his biggest rival.

Ordinary Russians are worried that their country is edging toward another crisis.

"Moscow . . . is filled with alarming rumors and expectations about an unconstitutional course of events," said Andrei Piontkovsky, a political analyst.

Exactly how Lenin's burial would lead to banning the Communists or help Yeltsin stay in power isn't clear, but nobody seems to worry about that. The Communists and others agree a burial would signal the start of an offensive to outlaw what is still the largest political party in Russia.

Lenin's mummified corpse is a symbol of the schism that divides Russia between those who want to revive the Soviet Union and those who want the country to move on. Lenin died in 1924 at 53 after a series of strokes, having said he wanted to be buried in St. Petersburg.

"It's a secret to no one that a draft decree on banning the Communist Party has already been prepared. . . . I believe that they

The Master Mason Cornerstone is an abbreviation for the Star of David. Therefore the Stone of Hope, and the Star of Hope are both one and the same. This is the same stone which Dr. Martin Luther King mentioned in his 1963 "I HAVE A DREAM" speech. Two Kings had dreams on one stone.

Daniel 2: ***(27) Daniel answered in the presence of the king, and said, The secret which the king hath demanded cannot the wise men, the astrologers, shew unto the king. (28) But there is a God in heaven that revealeth secrets, and maketh known to the king Nebuchadnezzar what shall be in the later days. Thy dream, and the visions of thy head upon they bed, are these:***

(31) Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible. (34) Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. (43) And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

(44) And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdom, and shall stand for ever. (45) Forasmuch as thou sawest that the stone was cut of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereinafter; and the dream is certain, and the interpretation thereof sure.

It is important that members of this House and Senate understand how the Saudis and Arabic governments are deceiving American women in a desperate, and secret campaign to promote Islam. After having been duped into a false and diabolical organization, they are then held captive by a terroristic death threat that is called the **Obligation.** There may be thousands of these women who are employed in sensitive government positions. They have become unwitting participants in a terror campaign against their own country.

The page duplicated below is a study sheet that is given to Eastern Star Candidates prior to their initiation into the Order. They are instructed on how to answer one specific question when they are asked by the Conductress of the initiation. They are asked, **"What do you do here"?** The answer they are required to give is ; **"I HAVE COME TO WORSHIP HIM"** while pointing to the signet or star where the word "FATAL" appears. The word FATAL is called the Motto of the Order.

The identity of him is hidden in what Islam call the Cabalistic word. That word is FATAL. The base word for Cabalistic is Cabal. Cabal is a close-nit group of persons who work privately or secretly to carry out their own plans. The word has become a term of reproach, and implies plotting, scheming, and conspiring to overthrow legitimate authority. **(W. M. Southgate for Worldbook).**

As shown below, the letters **F.A.T.A.L.** stands for **"Fairest Among Thousand Altogether Lovely".** These are words taken from Ezekiel 31: 2-18 which describes Lucifer as being Pharaoh and his multitude. It is important to remember this because the symbolism of the five-pointed star as defined by Freemasons to representation of the Anubis of the Egyptian. Anubis was an important god of the underworld among the ancient Egyptians. It is one of the many names used by Satan that he may deceive.

2. Raise the triangle thus formed directly above the eyes.
3. Raise the eyes, looking through the triangle.

The PASS—*"Believest thou this?"*

For explanation of the SIGN, etc., see Ritual, page 67.

V.—THE SIGN OF ELECTA is made by two motions.

QUEEN OF THE SOUTH.

The Palace is called up.

The following obligation is then recited, when each person who has taken the obligation is required to hold up the right hand during the recital:

1. Ladies in the presence of these witnesses, and in addition to your former obligation, you pledge the sacred honor of a woman, and you, my brethren, the honor of a Master Mason, to the faithful performance of the conditions of this obligation.

Before submitting this document to the House and Senate, I telephoned McCoy Masonic Supply in Richmond, Virginia to determine if this initiation book from which these excerpts were taken, are still being used. There have been no changes in the Eastern Star rituals since the Order inception. McCoy Masonic Supply still distributes this book to various members and chapters.

Below is the beginning of the Initiation which focus on the worshiping of the Eastern Star of Islam which is called DEATH. As the Members will see, the Candidate is required to give certain answers to the questions asked. When asked **"What Do You Do Here"?** There is no mention of charity anywhere throughout the initiation. Everything centers on that Star from the east. He is **Fairest Among Thousand Altogether Lovely.** Here is the text from Ezekiel that describes this beautiful fallen angel Lucifer.

<u>Ezekiel 31:</u> (2) Son of man, speak unto Pharaoh king of Egypt, and to his multitude; Whom art thou like in thy greatness? (7) Thus was he fair in his greatness, and in length of his branches: for his root was by great waters. (8) The cedars in the garden of God could not hide him; The fir trees were not like his boughs, and the chesnut trees were not like his

their inspiration the Star of Bethlehem, which will guide all the faithful to the New Jerusalem —that city not made with hands.

I must remind you that with the privileges come the responsibilities. You have been informed that we are associated together, that we may comfort, aid, and protect each other, in this our earthly pilgrimage; that our duties to each other are simply labors of love. The covenant of adoption has been rehearsed for you, which you have promised faithfully to keep.

The responsibilities of the Order, therefore, rest lightly upon the faithful, and we trust that you will bear them with that meekness and grace which is found only with the good and true.

You were informed when you first entered this Chapter room that we were in possession of certain secrets, by means of which we were enabled to recognize each other wherever we might meet, and that we propose to put you in possession of these secrets, that you too might be recognized as a member of the Order. You have already been conducted to the several points of the Star, where you have received instructions as promised. The signs and passes spoken of were then explained, which, if properly understood, will enable you to make yourself known as a member.

There are five degrees in this Order, which all

initiates receive: The first, that of *Adah, the Daughter's;* second, that of *Ruth, the Widow's;* third, that of *Esther, the Wife's;* fourth, that of *Martha, the Sister's;* fifth, that of *Electa, the Mother's.* On undergoing an examination, you will be required to give certain answers to particular questions, and these questions will be asked in the order the degrees were received by you. That you may comprehend the whole work of examination, I will, with the assistance of our Conductress,* now rehearse it. You will carefully observe my questions and her answers, as they would be your answers were you undergoing an examination.

W. P. Sister Conductress, are you a member of the Order of the Eastern Star?

Cond. I * * * * * * *.

W. P. What * * *?

Cond. I * * * * *.

W. P. What evidence can you give to prove yourself a member of the Order of the Eastern Star?

Cond. I have ....., signs, ... passes, and .. mottoes, one of them a general, the other a special * * * *, a * * * *, and a * * * *.

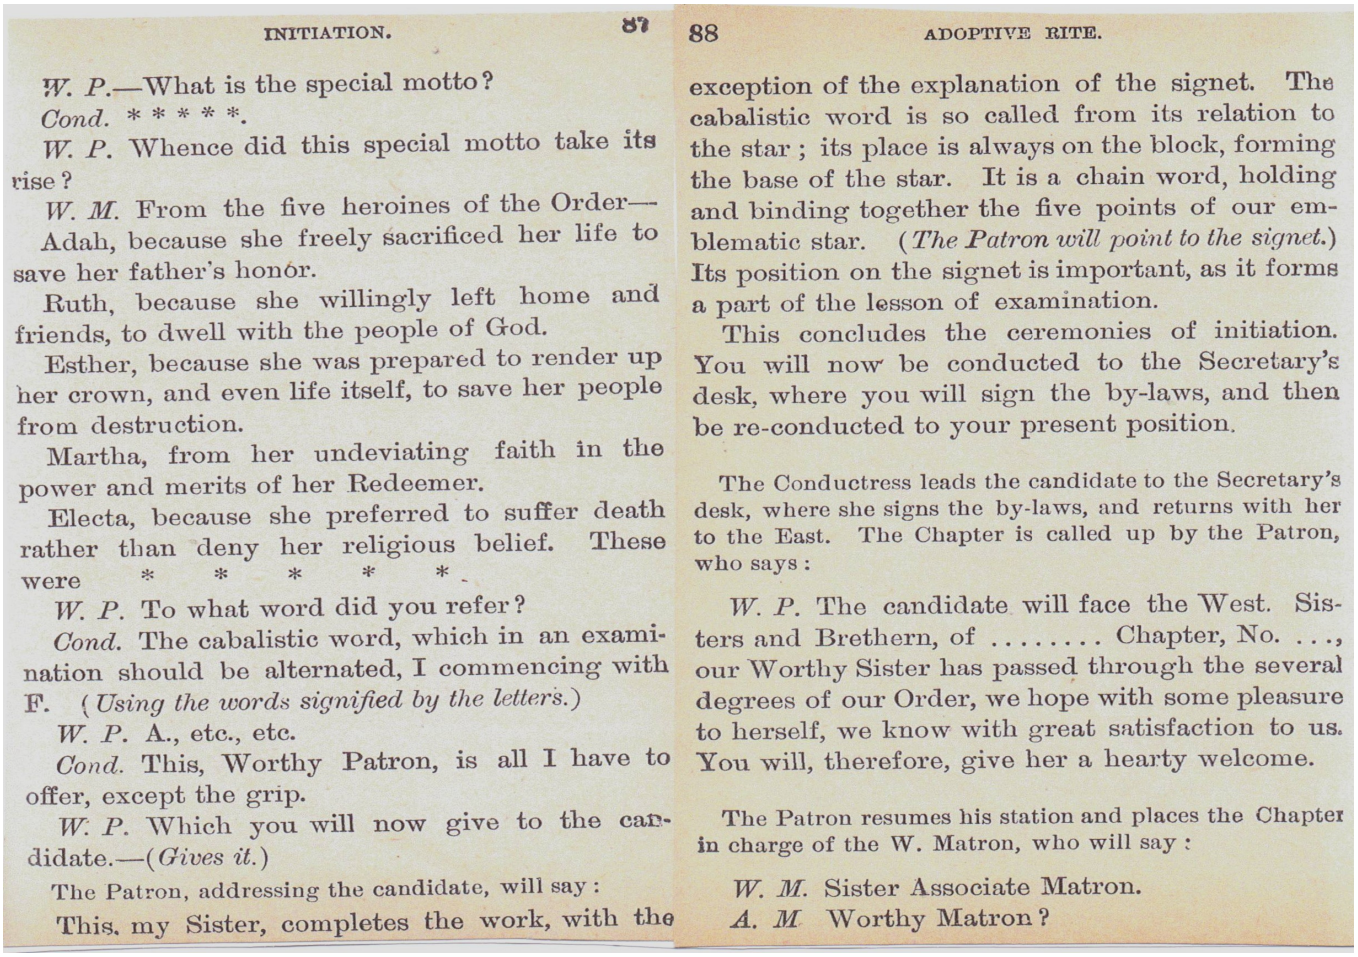

W. P. Please give the signs and passes, and explain them.

branches; nor any tree in the garden of God was like unto him in his beauty. (9) I have made him fair by the multitude of this branches: so that all the trees of Eden, that were in the garden of God, envied him.

(16) I made the nations to shake at the sound of his fall, when I cast him down to hell with them that descend into the pit: and all the trees of Eden, the choice and best of Lebanon, all that drink water, shall be comforted in the nether parts of the earth. (17) They also went down into hell with him unto them that be slain with the sword; and they that were his arm, that dwelt under his shadow in the midst of the heathen. (18) To whom art thou thus like in glory and in greatness among the trees of Eden? yet shalt thou be brought down with the trees of Eden unto the nether parts of the earth: thou shalt lie in the midst of the uncircumcised with them that be slain by the sword. This is Pharaoh and all his multitude, saith the Lord GOD.

Below is the continuation of the initiation ritual which began on the previous page. It is important to notice that the chief theme of the initiation is **Death.** Death is the Motto of the Order whereby the synonymy FATAL is used instead. My next illustration will be Masonry's symbolism for the five-pointed star which is defined as Death under veil.

INITIATION. 87

W. P.—What is the special motto?

Cond. * * * * *.

W. P. Whence did this special motto take its rise?

W. M. From the five heroines of the Order—Adah, because she freely sacrificed her life to save her father's honor.

Ruth, because she willingly left home and friends, to dwell with the people of God.

Esther, because she was prepared to render up her crown, and even life itself, to save her people from destruction.

Martha, from her undeviating faith in the power and merits of her Redeemer.

Electa, because she preferred to suffer death rather than deny her religious belief. These were * * * * *.

W. P. To what word did you refer?

Cond. The cabalistic word, which in an examination should be alternated, I commencing with F. (*Using the words signified by the letters.*)

W. P. A., etc., etc.

Cond. This, Worthy Patron, is all I have to offer, except the grip.

W. P. Which you will now give to the candidate.—(*Gives it.*)

The Patron, addressing the candidate, will say:

This, my Sister, completes the work, with the

exception of the explanation of the signet. The cabalistic word is so called from its relation to the star; its place is always on the block, forming the base of the star. It is a chain word, holding and binding together the five points of our emblematic star. (*The Patron will point to the signet.*) Its position on the signet is important, as it forms a part of the lesson of examination.

This concludes the ceremonies of initiation. You will now be conducted to the Secretary's desk, where you will sign the by-laws, and then be re-conducted to your present position.

The Conductress leads the candidate to the Secretary's desk, where she signs the by-laws, and returns with her to the East. The Chapter is called up by the Patron, who says:

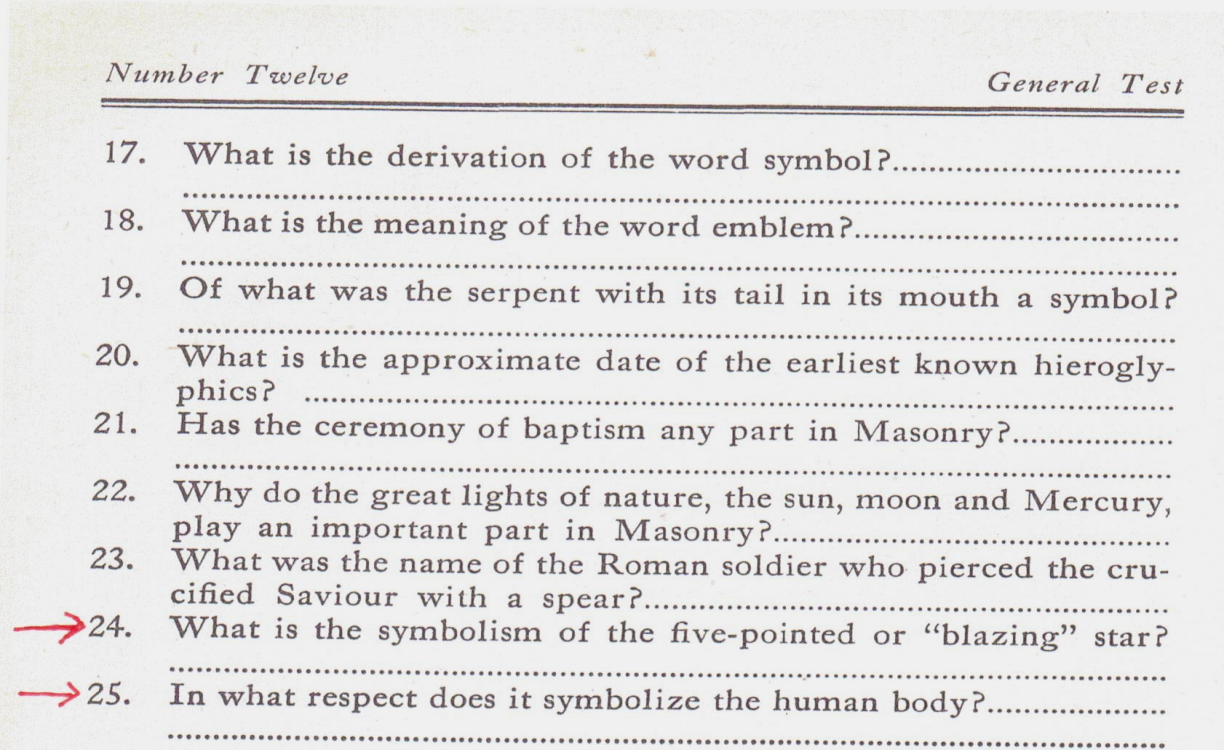

W. P. The candidate will face the West. Sisters and Brethern, of ..... Chapter, No. ..., our Worthy Sister has passed through the several degrees of our Order, we hope with some pleasure to herself, we know with great satisfaction to us. You will, therefore, give her a hearty welcome.

The Patron resumes his station and places the Chapter in charge of the W. Matron, who will say:

W. M. Sister Associate Matron.

A. M Worthy Matron?

Eastern Stars are not allowed to be Freemasons, and Freemasons are not allowed to be Eastern Stars. Therefore Eastern Stars are not privy to the symbolism of the five-pointed star as taught in the Masonic Lodges. The excerpted questions and answers which follows on my next page, addresses the symbolism of the five-pointed star as taught in the Masonic Lodges. The Masonic training book from which these were taken is also distributed by McCoy Masonic Supply of Richmond, Virginia. The book has 1001 questions and answers and it is titled **"ASK ME BROTHER",** but is called **"A Thousand Points of Light".** This is a code name for the book that was used during the January 1981 inaugural address by former U. S. President and Freemason, George H. Bush.

.....
25. In what respect does it symbolize the human body?.....
.....

I am only illustrating questions 24 and 25 because these two deal with the five-pointed eastern and blazing star. Masonry calls this star a blazing star because God hid it inside the apple in the Garden of Eden as a "blazing sword". Therefore they call it a Blazing Star. You'll see the answers on the following page.

24. What is the symbolism of the five-pointed or "blazing" star? The answer given agrees with the Motto of the Eastern Star that is called FATAL. If identifies Pharaoh, and Egypt as I have illustrated from Ezekiel. The answer states as follows: **"It is the Anubis of the Egyptians, giving warning of the overflow of the Nile. It also represents two principles. One point upward, it represents God, good, order, or the Lamb of Ormuzd and St. John. One point downward, it denotes Lucifer, evil, disorder, or the accursed Goat of Mendes.** God here is referring to Zoroaster (Mazda) a Persian god in the east.

I must translate this coded answer for the House and Senate Members. The answer states that when this star appears or is revealed; that Death will follow. It reveals Lucifer, but it also reveals other Messianic personalities. The overflow of the Nile is not referring to a flash flood, but the flood of human bodies as shown when the fourth Seal is open. The Lord Jesus has opened the door that was once shut.

Revelation: 6: ***(7) And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. (8) And I looked, and behold a pale horse: And his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*** Such is the warning of the overflow of the Nile.

Question and answer 25 gives a deft message that the star hidden in the apple certifies that God created both man and the earth. The star literally represents the human body which God created. The second part of the answer says this star is the sign of microcosm; means that it evidences God creation of the earth, or world. A microcosm is a tiny, or small world. It is a truth spoken by David's banner of Psalms 60.

22. Because every Lodge is a representation of the universe. In our Lodges they constitute the three lights, except that for Mercury the Master of the Lodge has been substituted.
23. Longinus. Tradition says the spear came into the possession of Joseph of Arimathea.
24. It is the Anubis of the Egyptians, giving warning of the overflow of the Nile. It also represents two principles. One point upward, it represents God, good, order, or the Lamb of Ormuzd and St. John. One point downward, it denotes Lucifer, evil, disorder, or the accursed Goat of Mendes.
25. The five points represent the four limbs and head. It is called the sign of the microcosm. All the mysteries of magic were said to be summed up in this symbol.

ANUBIS, *uh NYOO bis*, was an important god of the underworld among the ancient Egyptians. His main center of worship was at Kynopolis, which means *Dog City* in Greek. Because the dog, or jackal, was his sacred animal, Anubis is often represented in the form of a crouching dog or jackal. His functions were similar to those of Osiris, the chief god of the underworld, and to those of Thoth, another of Osiris' assistants. It was Anubis' duty to attend to the ritual preparation of bodies, to weigh the heart of every person on the scale of justice, and to judge a person's good and bad deeds on earth.

I. J. GELB

Anubis (ə nü′bis, -nyü′-), *n. Egyptian Mythology.* the conductor of the dead, a son of Osiris, identified by the Greeks with Hermes.

CABAL, *kuh BAL*, is a close-knit group of persons who work privately or secretly to carry out their own plans. The word has become a term of reproach, and implies plotting, scheming, and conspiring to overthrow legitimate authority.

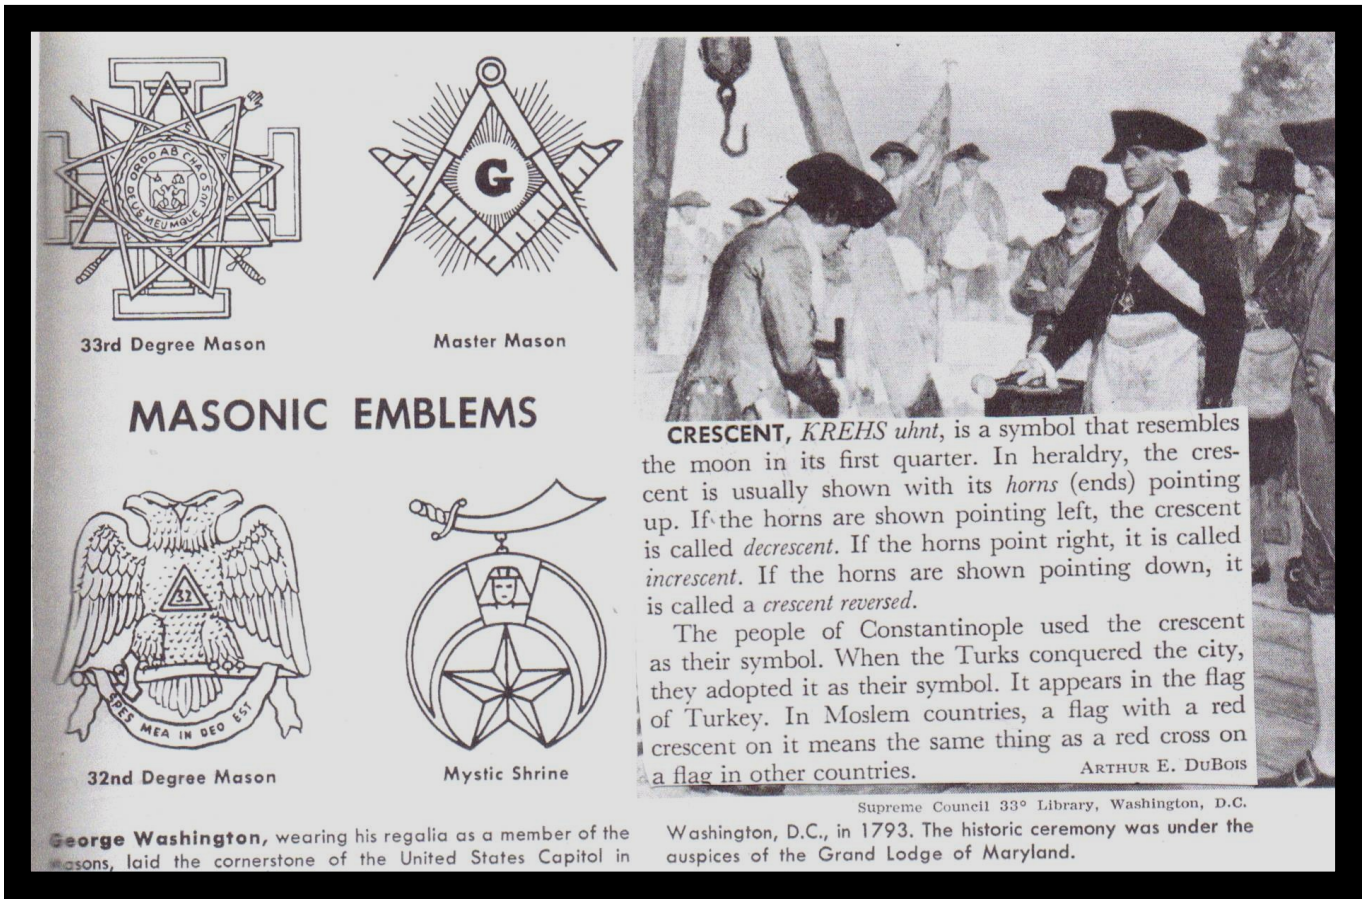

The term *cabal* is frequently associated with five members of the Privy Council under King Charles II of England. These men had widely differing points of view, but they united their efforts to carry out certain of the king's more unpopular projects. By chance, the initials of their names—Clifford, Ashley, Buckingham, Arlington, and Lauderdale—spelled *cabal*.

The *Conway cabal* was a famous group of American army officers and Congressmen who plotted to remove George Washington from his post as commander-in-chief in 1777-1778. The cabal was named after Major General Thomas Conway. When the plot was made public, it aroused unfavorable reaction and strengthened Washington's position.

THE MEANING OF THE SHRINERS' EMBLEM IN CRESCENT REVERSED

The graphics below that were provided by Freemasonry's Supreme Council 33° Library of Washington D. C. to Worldbook, will be used with question and answer to #24 on my previous page; to show the symbolism of the Shriners' emblem. I have also duplicated below an article written for Worldbook by Arthur E. DuBois on the meaning of the crescent when the horns are pointing in certain directions. You must keep in mind, these are the two horns that are called the horns of the beast which rose up out of the earth. This beast is the antichrist, (Revelation 13: 11-18). Islam is the chief rival and opponent of Christians, and Jews alike. No man can match him without God.

The crescent as shown in the article by DuBois, is usually shown with its horns up in heraldry. When its horns are shown pointing left, the crescent is called decrescent. If the horns point right, it is called increscent. If the horns are pointing downward as with the Shriners' emblem, it is called crescent reverse. All of this would mean very little if we did not have Masonry's definition of the meaning of the downward point of the five-pointed star. The answer on the previous page says that the downward point denotes, or is a sign of Lucifer, evil, disorder, or the accursed Goat of Mendes.

We know just by looking at the Shriners' emblem of the crescent and star that they are reversed. If the horns were pointing upward, the downward point would be pointing to the micro image of the beast which appears in the arch of the crescent of the Shriner's emblem. Locate the image now which sits between the sword on top, and the five-pointed star on the bottom. This is an image of Lucifer who is the star that new candidates for the Order are to proclaim they have come to worship after seeing his star in the east.

The Mystic Shrine is a bogus Shrine of Jesus that is alleged to contain Jesus' skull and bones. The Shrine was ordered to be constructed by Saudi and Arab nobles who wanted to promote Islam, and discredit Jesus' resurrection by identifying his remains of skull and bones that are still lying in his shrine outside of Jerusalem.

The Order was issued by Arabia's Nobles at Mecca, Arabia in 644 A. D. just 12 years after the death of the prophet Mohammad. The triple "T's" alluded to the crucifixion, and Islam's long term plans to undermine the resurrection of Jesus. That long term plan called for the creation of a Mystic Shrine containing the bones of other persons that in the course of time would be called the skull and bones of Jesus and his family. The plans gave birth to two secret societies that became known as Skull and Bones, and the Shriners. The shrine and the person to whom the skull and bones belonged to have remained a mystery until this dispensation.

The Arabic Nobles aimed to undermine the resurrection by producing a tomb engraved with the names Jesus, the son of Joseph and Mary, Mary Magdalene the wife of Jesus, and their alleged son Judah. The Mystic Shrine with the Shriners Islamic emblem are shown below. Since I had been tracking and studying their printing and communication methods, I was therefore able to expose them. This document will also confirm that the Triple Tau and 322, is also a scientific Islamic code for 9/11. The overthrow of Christianity if it was possible, would effectively overthrow the U. S. government paving the way for what they call the Religion of Freemasonry. This is a Universal religion which they call the Mystic-Tie. It takes it's name from the Mystic Shrine.

Skeptics target new Jesus film

The Lost Tomb implies he wed Mary Magdalene and fathered a son

By DION NISSENBAUM
MCCLATCHY-TRIBUNE

JERUSALEM — The Academy Award-winning director behind *Titanic* and *The Terminator* is attempting to challenge fundamental tenets of Christianity by suggesting that Jesus may have been a father whose body was buried far from the Jerusalem tomb where believers say he rose from the dead.

In a documentary set to air Sunday, Hollywood filmmaker James Cameron and his team contend that they've produced new evidence that Jesus married Mary Magdalene and fathered a son named Judah.

Biblical experts and archaeologists who are familiar with the central evidence instantly discounted the claim, which the Discovery Channel has touted as possibly "the greatest archaeological find in history," as an ill-informed, recycled publicity grab.

Contradicts beliefs

The chances that the findings in *The Lost Tomb of Jesus* are real "are more than remote," Israel Museum curator David Mevorah said. "They are closer to fantasy."

If proved true, the findings would undercut Christian beliefs that Jesus never had children and that he rose from the dead. The documentary also contradicts long-held beliefs by Roman Catholic and Orthodox Christians that Jesus had lain in a tomb around which Christians built the Church of the Holy Sepulcher in the Old City of Jerusalem.

"It doesn't get bigger than this," Cameron said before the basic findings were presented Monday at a New York news conference. "We've done our homework; we've made the case, and now it's time for the debate to begin."

Simcha Jacobovici, the Toronto filmmaker who directed the documentary, said the implications "are huge."

"But they're not necessarily the implications people think they are. For example, some believers are going to say, well this challenges the resurrection. I don't know why, if Jesus rose from one tomb, he couldn't have risen from the other tomb," Jacobovici told *Today*.

2,000-year-old tomb

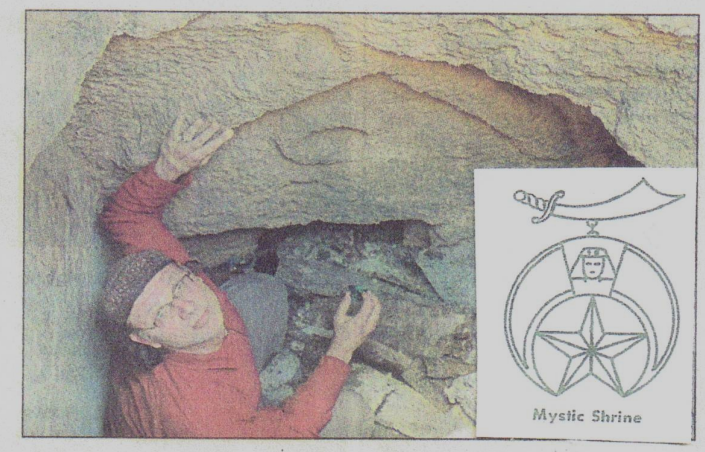

The Discovery Channel documentary and an accompanying book center on a 2,000-year-old limestone tomb that was discovered more than a quarter-century ago during a construction project in a residential Jerusalem neighborhood between the Old City and Bethlehem.

When the tomb was uncovered in 1980, specialists were called. The man who led the effort was Amos Kloner, an archaeologist from Bar Ilan University, who meticulously documented the findings.

The tomb contained 10 limestone burial boxes and scattered bones. Among the inscriptions on the ancient caskets: Jesus, son of Joseph; Mary; and Judah, son of Jesus.

Five of the burial boxes, known as ossuaries, had names that could be linked to the Bible, including versions of Joseph and Matthew.

Then and now, Kloner took no note of the names, saying they were common among area residents at the time.

MYSTERY DEEPENS: Jacobovici says 10 ossuaries found in this cave in 1980 may have held bones of Jesus, his wife Mary Magdalene and possibly their son Judah.

Skeptical scholar

Stephen Pfann, a biblical scholar at the University of the Holy Land in Jerusalem who was interviewed in the documentary, said the film's hypothesis holds little weight.

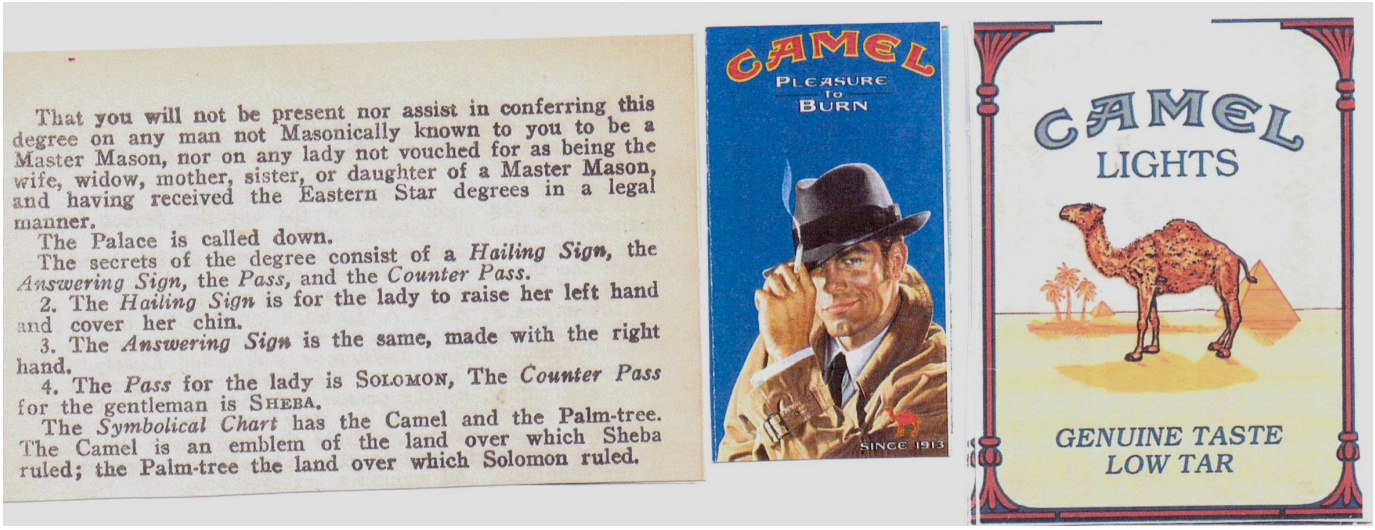

"I don't think that Christians are going to buy into this," Pfann said. "But skeptics, in general, would like to see something that pokes holes into the story that so many people hold dear."

"How possible is it?" Pfann said. "On a scale of one through 10 — 10 being completely possible — it's probably a one, maybe a one and a half."

The Associated Press contributed to this report.

The written graphics on the left below are the last portion of the Eastern Star's instructions which prepare new Candidates for the Initiation. The purpose of this final illustration for the House and Senate Members, is to show the meaning of the Eastern Star's Camel and Palm-Tree. The Camel is defined as an emblem representing the land which Sheba ruled; the same meaning Arabia, and the Palm-Tree is an emblem representing the land over which Solomon ruled. This is Israel, the main target of the sword.

These Eastern Star symbols which we know now is Saudi Arabia, and the Islamic States; are the same Camel and Palm-Tree seen on the Camel brand of cigarettes. The sacrificial slogan **"Pleasure to Burn"** alludes to the other sign of the Date-Palm. It is the date of an appointment that the perpetrators of this fraud have with God's judgment. It is Satan's appointment date with Hell where he shall not find pleasure.

That you will not be present nor assist in conferring this degree on any man not Masonically known to you to be a Master Mason, nor on any lady not vouched for as being the wife, widow, mother, sister, or daughter of a Master Mason, and having received the Eastern Star degrees in a legal manner.

The Palace is called down.

The secrets of the degree consist of a *Hailing Sign*, the *Answering Sign*, the *Pass*, and the *Counter Pass*.

2. The *Hailing Sign* is for the lady to raise her left hand and cover her chin.

3. The *Answering Sign* is the same, made with the right hand.

4. The *Pass* for the lady is SOLOMON, The *Counter Pass* for the gentleman is SHEBA.

The *Symbolical Chart* has the Camel and the Palm-tree. The Camel is an emblem of the land over which Sheba ruled; the Palm-tree the land over which Solomon ruled.

Just as the sword on the Saudis' flag points west, so does the nose of its Camel which sends a deadly symbolic message to all with ears to hear. I detected this fraud of the tobacco company early on in my 21 year long investigation. I alerted the lead attorney for the State of Texas lawsuit against the industry. I also alerted the Attorney General for the State of Texas at that time, and the Chief of Texas Department of Health.

The lawyer used this information that I supplied him to forge a suspicious $300 billion dollar settlement without ever going to trial. After the Attorney General left office, he attempted to get his share through bribery. He instead got several years in a federal penitentiary. The attorney representing the State of Texas who earned a billion dollars in fees; perished in a mysterious and F.A.T.A.L. SUV crash on a Houston parkway. Evidence of these events are in my final pages of a 21 year investigation of that which is called the Eastern Star. Will this Congress act? Or will it too follow the doctrine of **audi-vici-tace** because the perpetrators are to big to fall?

Dear Rev. Ellis,

Thank you for your letter voicing your concerns about the marketing of tobacco products to Texas youth. Your research was certainly impressive, particularly the information that you gathered to support your claims concerning the link between the logo's on the packages of Marlboro and Camel cigarettes and their tie with various racial and ethnic discriminatory groups and the subliminal messages seen in tobacco advertisements cited by Dr. Alistair McIntosh.

The settlement between the State of Texas and the American Tobacco Company, et. al., signed in January 1998 called for the elimination of billboards and transit advertisements (Section 6). This was later expanded in July 1998, (Most Favored Nation Consent Decree, Section 6(a)) to limit tobacco company's from marketing, distributing any item other than the tobacco product or any item which is solely intended to market tobacco products, with a tobacco "logo, symbol, motto, selling message, recognizable color or pattern, or any other indicia or product identification identical or similar to, or identifiable with, those used for any domestic brand of tobacco products,..."

We have consulted with our legal counsel and they indicate that the information you provided doe not constitute grounds for us to claim that the terms of either the original agreement or the consent decree were violated.

Again, I thank you for your concern and your willingness to speak out on tobacco issues that you see are harming others. This type of grass-roots efforts are what allow our programs to make inroads across the state to help Texans promote healthy, tobacco-free lifestyles. As you have requested, I am returning the t-shirt you sent for us to review. If you have any questions, feel free to contact me at 512/458-7200.

SPECIAL MESSAGE TO SOCIAL MEDIA FANS

The Hashtag (#) which appears on this 1784 George Washington Masonic apron, made it debut on the American stage more than 225 years before the internet came. The H and T embroidered around the beehive among six other letters, identifies what has become known as DNA of Masonry. Joining the Hashtag is the five-pointed eastern star, and the coffin containing the alleged and symbolic Skull and Bones of Jesus. This historic Masonic Apron was a 1784 gift from the wife of French General La Fayette to President Washington. According to Masonry, the apron is now in possession of the Grand Lodge of Pennsylvania. Because of it's origin, it is called the most prized relic in Masonry.

The Washington Masonic Apron

In the latter part of 1784 General La Fayette came upon a visit to see Washington, and brought with him a beautiful white satin Masonic apron, upon which the Masonic emblems were Beautifully worked by Marquise La Fayette. It being her gift; while the general tendered A beautiful rosewood box. This apron is now in possession of the Grand Lodge of Pennsylvania.

The apron is made from the coat which Jesus wore on the cross to cover his private parts. It was taken as a souvenir by the soldiers who carried out the execution. ***John 19:*** ***(23) Then the soldiers, when they had crucified Jesus, took his garments, and made four parts, to every soldier a part; and also his coat:*** The apron was Jesus' coat. In heraldry it led to what is called "The Coat of Arms". There is a hidden connecting Islamic cord between the Hashtag, the eastern star, and the Skull and bones.

The Hashtag takes it's name from the family name of the prophet Mohammed. Mohammed was a member of the house of Hashem (Hashim). This Hashtag is a Masonic emblem used in the game Tic-Tac-Toe. Tic is a side affect from fatigue which causes the body of one to twitch and jerk. When Jesus' body would tic, the Roman soldiers would tac his toe. Lining up three crosses or Ts in a row (XXX) to win, represented Jesus and the two that were crucified with him on the cross. The eastern star on the apron is the Islamic emblem that is the subject of this document. The Skull and Bones is Islam's scheme to undermine Christianity by using the Mystic Shrine alleged as the tomb of Jesus. The three "Ts" in Twitter are the **Triple Tau (TTT)** alluding to the three parties of the crucifixion. Thus the code name **"T-Party".**

OPENING OF THE SEVEN SEALS ILLUSTRATED SCIENTIFICALLY

The name **"YEMEN"** is a biblical code name taken from the book of Acts when God's TWO WITNESSES witnessed the ascension of Jesus, and warned that he would return in like manner with these words: ***Acts 1:*** ***(9) And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight. (10) And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel; (11) Which also said, Ye men*** (Yemen) ***of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.***

Ye men thus became Yemen which is a kind of watch word that connects to the Queen of the South, the Sign of Jonah, the Sign of the Times, and the Mystery of Mira.

Only Jesus can open the Seven Seals which has revealed the things which I have testified of herein. ***Revelation 5:*** ***(2) And I saw a stong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof? (3) And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon.***

The red star Mira fixed on the Yemen flag with the red, white, and black stripes, are symbolic of Jesus, and the first three colored-coded horses of the apocalypse. The fourth horse which is called the pale horse who's rider is DEATH followed by HELL, is symbolized by the eastern star of Islam represented above.

Revelation 6: ***(7) And when he had opened the fourth seal, I heard the voice of the fourth beast say, come and see. (8) And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed him. And power was given them over the fourth part of the earth, to kill with sword, and with death, and with the beasts of the earth.*** This prophesy is corroborated by the Islamic crescent emblem shown above which has the two horns of the beast described in Revelation 13, who kill those who refuse to worship the image of the beast.

Revelation 13: ***(15) And he had power to give life unto the image of the beast, that the image of the beast should speak, and cause that as many as would not worship the image of the beast should be killed.*** Lenin's image is preserved in red square, and the picture above is the last taken of him alive.

WHAT CAN, AND WHAT MUST YOU DO

For all who are faithful enough to ask the question, **"What can, and what must they do"?** I have therefore provided for them this simple answer; "Make yourself useful for the Kingdom of God", and you shall be blessed. For all members of the United States' Senate, or members of the U. S. House of Representatives, you can be an asset and bare fruit for the Kingdom of God by supporting or passing Resolutions, and legislation that would lead to the successful implementation of those things called for under "Specific Performances" in this report. Every branch of this government that elect or chooses not to bare fruit for the Kingdom of God; for them I have been ordered to print the words of Jesus from the following scripture which says:

John 15: ***(2) Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit. (4) Abide In me, and I in you, As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. (6) If a man abide not in me, he is cast forth as branch, and is withered: and men gather them, and cast them into the fire, and they are burned.***

Contrary to what the *yellow* Queen of Sheba says, "There shall be no pleasure in burning". Therefore I am advising that all branches of the Untied States' government to bare fruit in great abundance for the Kingdom of God by fulfilling and implementing those things listed under specific performance in this report.

For private citizens we need men and women from every professional and lay field to lend their skills and talents to the great task of this messianic ministry. You can be one of the tender branches that bare wonderful fruit that will bring forth the great harvest for the Kingdom of God. Just go to our website at **www.whitestoneofhope.com** and click on **"help"** to find out what you can do for the Kingdom of God.

Many will choose to do nothing because of fear, unbelief, or because they have believed that it is better to serve the god of this world, and be friend of the mammon of unrighteousness. For them I bring these solemn words of he who has the keys to both Death and Hell, who say to you as follows:

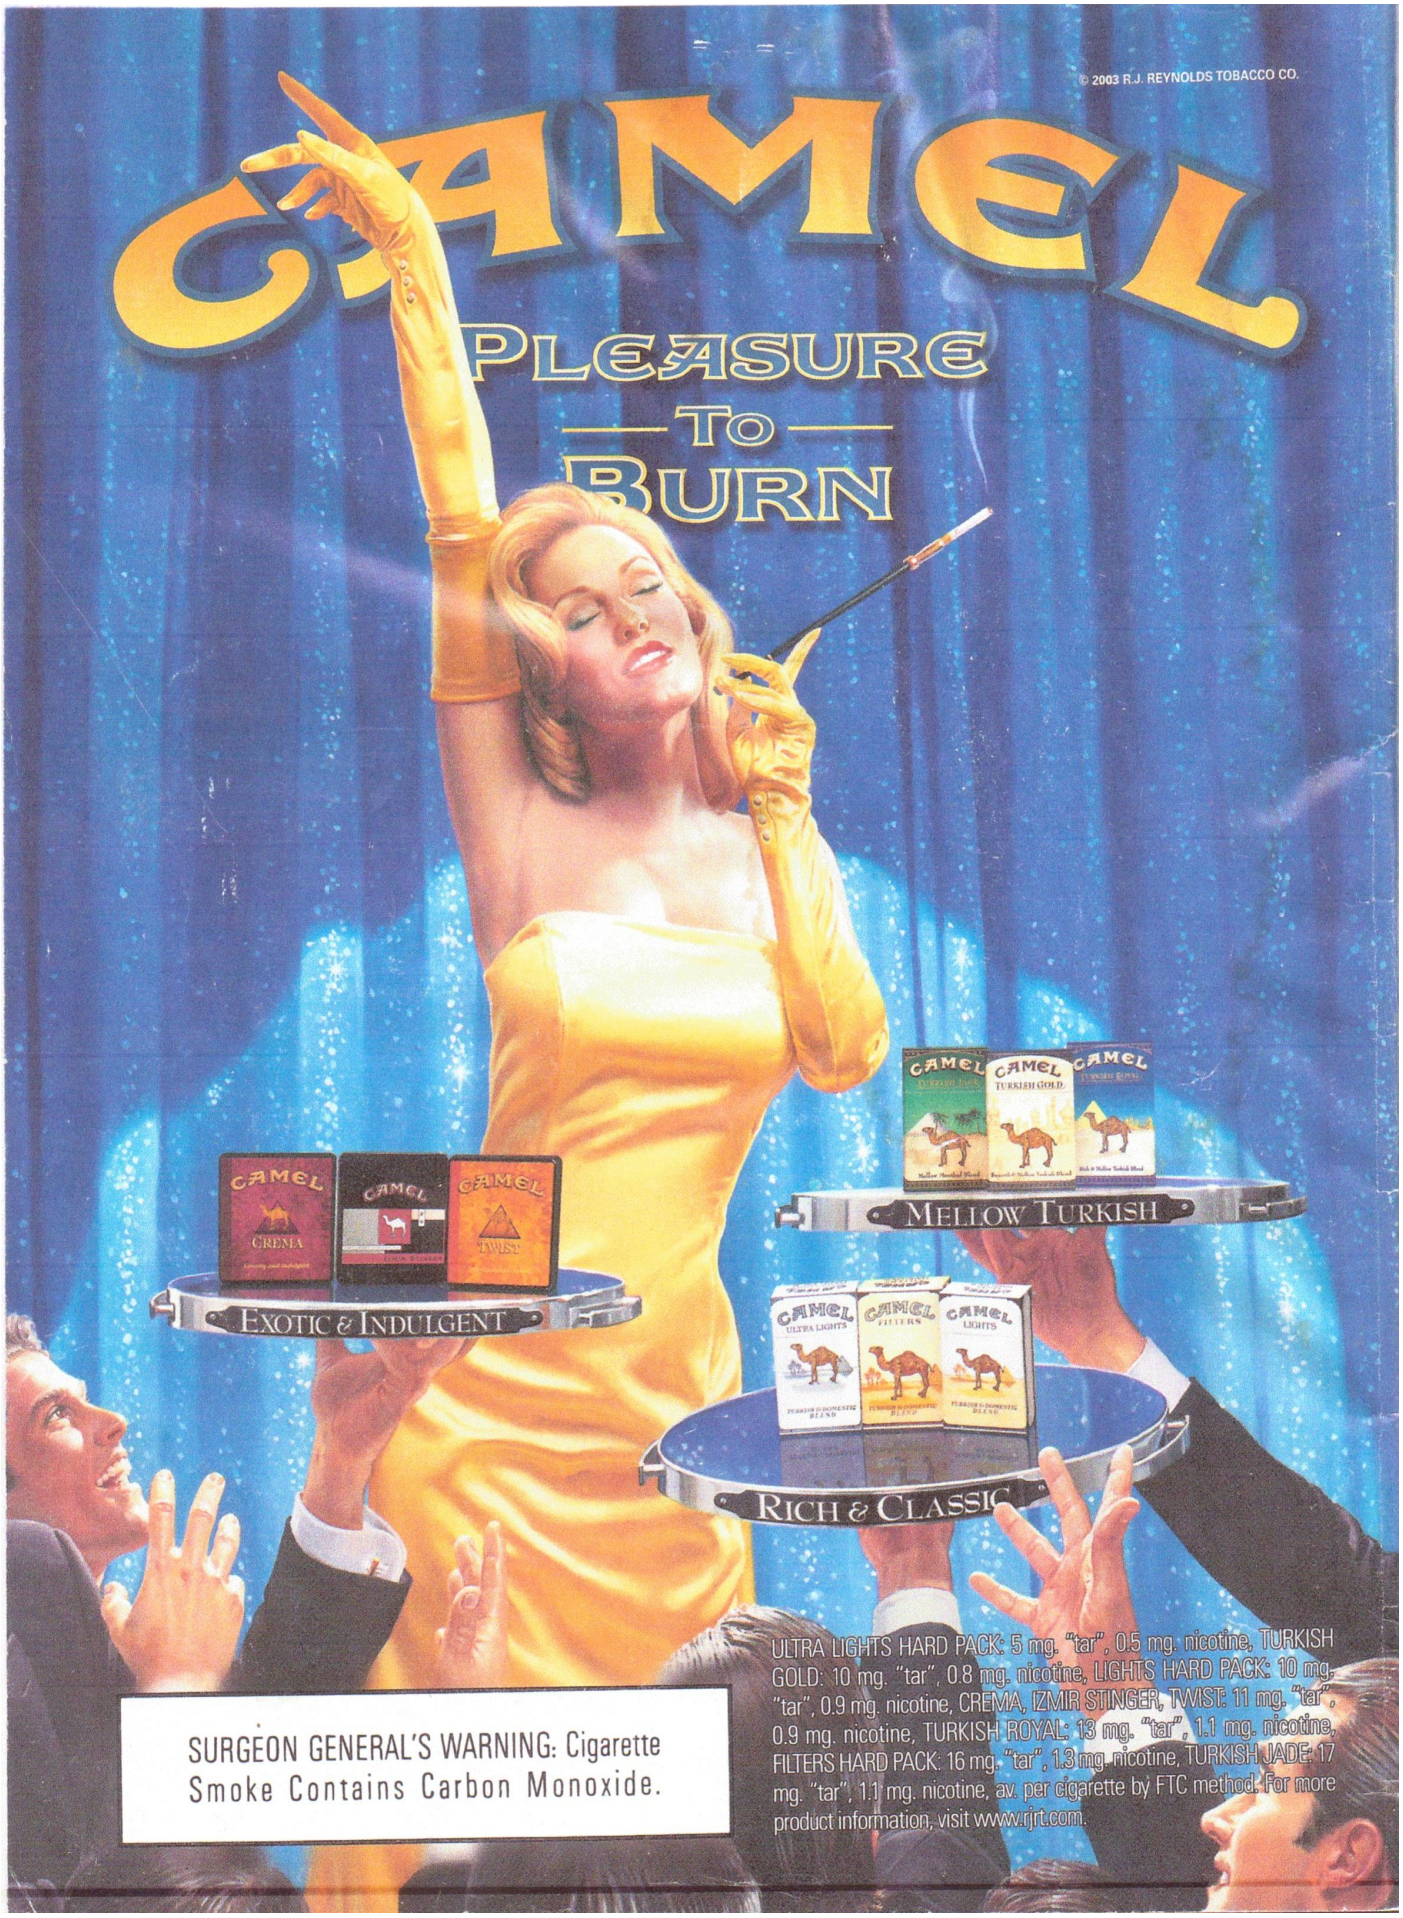

Revelation 21: ***(7) He that overcometh shall inherit all things; and I will be his God, and he shall be my son. (8) But the fearful, and unbelieving, and the abominable, murders, and whoremongers, and sorcerers, and idolaters, and liars, shall have their part in the lake which burneth with fire and brimstone; which is the second death.***

I am hereby requesting a response from every recipient of this report explaining just how their office intends to deal with this matter of Islam's Eastern Star. It is certain that there are women who are employed in sensitive positions of our government who are held captive by the ideologies, and deception of a foreign government. This cannot stand.
