08/2019 - 05/2022

- Managed daily operations of campus buildings and facilities.
- Coordinated maintenance requests and ensured timely resolution.
- Conducted inspections to assess building conditions and compliance.
- Managed a team of more than 10 building attendants.

Ryan Seacrest Foundation - Seacrest Studios Production Intern
Washington, District of Columbia
05/2020 - 08/2020

- Produce three different weekly shows to be heard by over 400 patients and their families around the hospital.
- Record radio shows using VoxPro and OPX recording systems.
- Studio Production: Use knowledge in board hopping and camera control to allow patients to watch what is going on in the studio from their rooms.
- Create and produce TV content so patients will be able to interact and participate in games, trivia, activities, etc., from their rooms.
- Aid in controlling what the patients can see from their TVs in their rooms using the Tricaster.
- Create flyers for guests and artists who visit the studio.
- Reach out to local artists, musicians, and local celebrities, and schedule them to visit the studio for interviews and performance opportunities.
