MINIMUM SPEND

- What It Includes: The minimum spend amount encompasses all aspects of your event, including beverages. This amount can be applied towards your total bill, allowing you flexibility in planning and customizing your event.
- How It Works: The minimum spend is a baseline amount that must be met for booking the space. If your total spending exceeds this amount, you will only be charged for the actual amount spent. If your spending does not reach the minimum, you will be responsible for paying the difference.
- Booking and Payment: A deposit may be required to secure your booking, with the remaining balance settled after the event based on your final spend.
- Why We Have It: This policy helps us maintain the quality of our service and ensure that we can accommodate your event to the highest standards. It also allows us to allocate resources effectively, ensuring that your event is a success.
- If you have any questions or need assistance with planning, our team is here to help you make the most of your event within your budget.
