Scanning during your pregnancy

Formal scans are billable between £250.00 and £315.00 depending on scan.

8-10 weeks Early Viability Scan

12 week scan

16 week anomaly scan

20 week anomaly scan

24 week growth scan

28 week Growth scan

32 weeks Wellbeing scan

36 weeks Wellbeing scan

The plan may vary according to your need.

Scans can be at the Harley Street Centre for women www.hscfw.co.uk or via the Chelsea and Westminster hospital. www.londonprestigematernitycentre.co.uk

In addition, at each consultation appointment Angela will provide a mini scan, so you can see baby and take a few – non formal measurements. So no print out for these. This is free within your chosen package. You can have as many of those as you need throughout your pregnancy.
