Hi Girls;

I hope this note finds you doing well. I know you are getting help from Francisco to take the TEOFL exam. I am hopeful you can take it this week sometime.

I also wanted to let you know that as a head soccer coach for over 22 years I have worked with many educational and recruiting services from all over the world. I have utilized these services and companies in recruiting both male and female soccer student-athletes. In my opinion, Sports Educated Directed by Francisco Monja Mora, is one of the most professional, honest and trustworthy organizations I have worked with. Costa Rica's young athletes seeking a scholarship in the United States is very fortunate to have this service. His work ethic and integrity is fantastic. He wants to help young people achieve their dreams. I feel blessed to have had the opportunity to work with Sports Educated and Francisco knowing that the end result will be success for all.

Sincerely
