Hello Francisco,

I'm the [REDACTED] soccer coach at [REDACTED] State University, we're a NCAA Division 1 school located in [REDACTED] Texas. Currently, we can financially and within our roster afford 2 high level players that will come in and make an immediate impact for our Fall 2018 season. Would you have anyone within your agency that fit that mold?

I look forward to hearing from you and building our relationship with your agency.

All the best,
