

Alafia Elementary PTA Sponsorship Opportunities 2025 - 2026 School Year

Dear Alafia Gator Community,

Are you a business owner—or do you know of a business—that would like to support Alafia Elementary through a meaningful partnership? Does your company value community involvement and education? The Alafia Elementary PTA offers sponsorship opportunities that allow businesses to invest in our school and demonstrate their commitment to enriching the lives and education of our students and educators.

This year, we're also excited to bring back the **\$100 Family & Friends Sponsorship**, which includes **two PTA memberships**—a great way for individuals to show their support!

Your **tax-deductible donation** will directly support our operating budget and help ensure the continuation of the following important programs and initiatives:

- **Family & Community Events:** Bingo Night, Craft Night, Spring Carnival, and more.
- **Campus Enhancements** (outside of district funding): AED machine, playground shade structures, document cameras, and Newline Interactive Whiteboards.
- **Student Essentials:** Agendas and take-home folders.
- **Faculty Support:** Meals during conference nights, Teacher & Staff Appreciation Week, and teacher supply grants.
- **Academic & Arts Enrichment:** Music, Arts, and Media Center resources.
- **Student Programs:** 5th grade celebrations, classroom technology, incentive programs, and support for children in need.

The Alafia Elementary PTA is committed to providing quality programs that support our students, families, and staff while recognizing the dedication of our educators. Partnering with the PTA not only helps us meet these goals but also highlights your business's commitment to education and the Alafia community.

We invite you to become a valued business partner and help make the 2025–2026 school year our best yet!

Sincerely,

Alafia Elementary PTA
