

HARVEST FULL OF HOPE

Greetings!

Vendor Registration is now open for Harvest Full of Hope 2024, scheduled for October 15th, 2024, from 8:00am - 3:30pm! This year’s event will take place at the ArtsQuest Center at SteelStacks, 101 Founders Way, Bethlehem PA, 18015. We will also be recording the presentations and posting them on our website (harvestfullofhope.org) after the event.

It is our goal to provide information about increasing mental health awareness and decreasing the stigma of mental illness in the community—and that is where you come in! As an agency providing mental health specific services, or goods and services related to mental health, we encourage you to consider participating in this year’s conference as a vendor.

You are invited to reserve a sponsorship at Harvest Full of Hope 2024! The conference is a great opportunity for networking and to showcase your services to the Lehigh Valley community: consumers, professionals, family members and advocates alike. Table setup needs to be completed before 8:00am and should not be torn down before 3:30pm. Sponsorships are limited so be sure to sign up today!

For the past twenty years, we have welcomed attendees to this event, with the number of attendees increasing each year. Feedback indicates that for many vendors, this event is a great way to reach new families and distribute their information. With the presentations now being accessible year-round, even more people can be impacted!

Please Note: We have updated our sponsorship options below. As we are continuing to grow, we are always looking for find new ways to engage with everyone who comes to the conference and enjoys the workshop presentations. As such, this year we are going to have presentations in the Blast Furnace (seats 275) and the Red Cinema (seats 150), with vendor tables on the first floor / second floor loft! If you are an organization interested in sponsoring a workshop in the Blast Furnace room, please let us know upon sign up! Additional fees may occur.
