

## Your Chance to Own This Beautiful Tudor-Style Dolls House!!

This Dolls House has been renovated and kindly donated by Christiane Reinstrom to raise funds for The Diamond Centre for Disabled Riders and will be auctioned as part of our 50<sup>th</sup> Anniversary Celebrations in 2024.

The Dolls House has a fascinating history, and the original was donated by a Diamond supporter who remembers playing with it from about the age of six, which makes it around 40 years old. It was acquired by her father who at the time was working as a management consultant at Broadmoor Hospital; and was made by one of the patients. The Dolls House has been completely stripped and each room has been renovated as a Tudor style dwelling.

The 'silent' auction will be promoted on social media and will finish on 31<sup>st</sup> May 2024.

If you would like to own this Dolls House, please submit your bid (minimum £50) to [activity.leader@diamondcentre.org.uk](mailto:activity.leader@diamondcentre.org.uk). Once your bid is made, we will keep you informed of the bidding and offer you a chance to increase your bid. (Bids accepted in increments of £10.)

Don't forget to include your name, email address and telephone number.
