2020 紅鼻子日 By Kainan Dong

今年的“紅鼻子日”是三月十五日。

紅鼻子日最早是在1988年，由喜劇救濟基金會 (Comic Relief) 發起，鼓勵人們佩戴“紅鼻子”，把頭髮染成紅色，參與捐款，幫助世界上的窮人。

在節日當天，英國的知名喜劇演員都會在電視上表演精彩的節目；很多學校也會組織小型的游樂捐款活動，讓學生和家長在歡笑中一起參加助人活動，培養孩子們的愛心。

今年的紅鼻子日，你打算怎麼過呢？

2020 RED NOSE DAY

15 March is Red Nose Day this year.

This special day started in the UK in 1988, and was sponsored by Comic Relief, a British charity which raises money for people in need in the UK and Africa.

It's the day people across the country can get together and raise money at home, school and work, and to celebrate the day they wear the red noses and dye their hair in red.

In the past 30 years, the event has raised over £1 billion which has been used to help people in need.
