It is with deep pride that we introduce the **Advisory Board of Volunteers of Vegas** – A group of leaders whose brilliance, generosity, and drive are the heartbeat of our movement.

These individuals bring not just expertise, but vision and boldness, guiding us into uncharted territory for volunteerism in Clark County.

**You are pioneers, disruptors, and changemakers**, committed to elevating every aspect of what we do. Volunteers of Vegas moves forward, fiercely and fearlessly, because of **your leadership**.

We are honored to stand beside you.
