

Tree Talk

HOW TEACHING KIDS OUTDOORS MAKES THEM BETTER STUDENTS

Admission is Free
But Registration Required

Author and Educator David
Sobel will present:

*Bringing the Classroom
Outdoors: How Nature-Based
Education Improves Student
Performance and Resilience*

Thursday,
Aug. 27, 2026

5:30 p.m. - 7 p.m.

Annisquam Village Hall
34 Leonard St., Gloucester

Author and educator David Sobel, is
responsible for developing the
philosophy of place-based education.

A former director of certificate programs at Antioch University New England, he will present research into the benefits of place-based nature education, drawing from compelling examples to discuss how using students' local community and environment as the foundation for teaching improves student performance and resilience.
