This policy defines the approach taken by Chris the Mindset Coach CIC in response to its duties concerning Prevent.

Who does this policy apply to?

The Prevent Policy applies to everyone working at or attending the Chris the Mindset Coach CIC activities and services. It confers responsibilities on all Trustees, staff, volunteers, clients, contractors and visitors and interested parties.

Policy Statement

The aim of the Prevent Policy is to create and maintain a safe, healthy and supportive environment. Chris the Mindset Coach CIC will work to protect and take action to protect all involved with Chris the Mindset Coach CIC from extremist and violent views.

We further recognise that if we fail to challenge extremist views, we are failing to protect people from potential harm. However, we will endeavour to incorporate the relevant duties so as not to:

- Stifle legitimate discussions, debate or engagement activities in the local community; or
- Stereotype, label or single out individuals based on their origins, ethnicity, faith or beliefs; or
- Inhibit the articulation or holding of beliefs held through faith or religious conscience that fall short of the indicators below.

Radicalisation is a form of grooming and therefore abuse. Example indicators that could suggest an individual is engaged with an extremist group, cause or ideology could include but are not limited to:

- Day-to-day behaviour becoming increasingly centred on an extremist ideology, group or cause.
- Loss of interest in other friends and activities not associated with the extremist ideology, group or cause.
- Possession of materials or symbols associated with an extremist cause.
- Attempts to recruit others to the group/cause.
- Communications with others that suggest identification with a group, cause or ideology of concern
- Using insulting and/or derogatory names for another group.
- Increase in prejudice-related incidents committed by that person – these may include but are not limited to;
 - physical or verbal assault
 - provocative behaviour
 - damage to property
 - derogatory name-calling
 - possession of prejudice-related materials

- prejudice related ridicule or name calling
- inappropriate forms of address
- refusal to co-operate
- attempts to recruit to prejudice-related organisations
- condoning or supporting violence towards others.

Radicalisation can be a complex issue and therefore each case should be considered on its merits & professional advice sought where any doubts exist.
