Bob's passion was designing, building, and flying model airplanes. He was a member of the Black Hawk R/C Pilots for over 50 years. Bob was also a longtime member of the Academy of Model Aeronautics (AMA), holding a low membership number of AMA #6558.

He owned and operated "Bob's R/C Hobby" for many years until closing in 2005. He flew radio controlled and control line model airplanes, and competed in Quarter Midget pylon racing. In retirement, Bob worked at SIG Manufacturing in Montezuma, IA and organized the annual SIG Fly-In.
