## BLACK HAWK R/C PILOTS – JULY 2022

**From the President** — The July club meeting will be at 7PM on Tuesday, July 26<sup>th</sup> at the Club Flying Field in New Hartford. Come early for the cookout at 6PM.

**National Model Aviation Day** was held on July 16<sup>th</sup>. We had a good turnout of both club members and spectators. We didn't get an official headcount, but I'd estimate we had a dozen or more guests and 14 club members present. The weather was good with low wind speeds and an overcast sky. We got in a lot of flying and had a great lunch from Will and Cindy Breu.

The August event is the **Warbird Fly-In** on August 21<sup>st</sup>. You can fly any size or type of aircraft that fought in any war. You can also fly a scale model of any **Classic Era** aircraft built before 1954. This includes Piper Cub, WACO, GeeBee, Stinson and many others.

**Trash vs. Cans**—There are several trash barrels at the flying field, but only one "Can Barrel".

Please put any recyclable cans and bottles in the Can Barrel and trash in any of the other barrels.

**Other Events**—We host a flying event monthly from June thru September and we hope you attend as many as you can. Other flying events are held within driving distance of Waterloo. The annual SIG Fly-In in Montezuma was canceled this year, but hopefully, will return next year. There are Warbird Fly-Ins in Des Moines on July 23, in Owatonna, MN on August 11-13 and in Cedar Rapids on August 27. These are great events to attend, even if you are only a spectator. Other events are listed on the AMA website.

That's it for this month. Stay safe and I'll see you at the club meeting.

*Neal Leeper*

President, Black Hawk R/C Pilots

## Club Meeting

The summer club meetings are at 7PM at the Club Flying Field in New Hartford.
