BLACK HAWK R/C PILOTS – JULY 2024

From the President — The next club meeting will be on Tuesday, July 23rd at 7PM at the club flying field. Come at 6PM for a cookout.

Club Meeting Cookouts — This month Scot Clay will be doing the cooking. He's planning on bringing some fresh things from his garden. I need volunteers for the August and September club meetings. The club covers the cost of the food, but you need to select a menu, buy and prepare the food for the cookout. The grill and propane are provided. Let me know if you are interested.

Prairie Lakes Float Fly — We had a nice turnout for the Float Fly on Saturday. It was hot and a windy but the wind direction was favorable. The weather forecast for Sunday was for a "hazardous" heat index in excess of 100 °F at times and a West wind at 10-15 mph. Based on that, the decision was made to cancel the second day of the Float Fly. (See pictures from the Float Fly on the next page.)

New Bench — There a new bench at the club flying field in memory of Roger Schellhorn. Roger's wife, Betty, donated the money to purchase the bench. We can all enjoy sitting on the bench in comfort and remember Roger.

Warbird & Classic Aircraft Fly-In — This Fly-In is the day to bring out any model that resembles an airplane that flew in combat in any war or any airplane that flew prior to 1955. Our definition of what's acceptable is "flexible" so we'll also welcome any kind of jet. And anything at all if there's nothing flying at the moment. So the bottom line is, there's no excuse to not come out to fly that day.
