Dear

Notification of approval of a request for waiver of no further stay condition 8503

After careful consideration of the relevant legislation and all the information and claims you have presented in your request, I have determined that your circumstances satisfy the requirements of regulation 2.05(4) of the *Migration Regulations 1994*, and have therefore waived the 8503 condition under sub-section 41(2A) of the *Migration Act 1958*.
