

3030 Homeschool Community

Family Covenant

As the parents, we recognize the value in committing our time and talents to a dedicated community of like-minded homeschoolers. We agree to the following 3030 Homeschool Community family covenant, rules, and policies:

1. We understand that we are fully responsible for our child(ren)'s education and that being a member of the 3030 Homeschool Community will enhance that education.
2. We understand that there is a cost to being a member of the 3030 Homeschool Community and that buying the recommended materials for class(es) is also a requirement in-order to be prepared for class(es).
3. We understand that we as the parents are our child(ren)s primary teachers. We will be in community and in class(es) with our child(ren). We will ensure our child(ren) completes weekly assignments to the best of his/her ability.
4. We agree that if there is a conflict with the staff or board, we will take part in a recommended conflict solution plan. The first step in this plan is to go directly to the staff member or board member to discuss the situation in person and privately. If a resolution can not made, we understand that the staff or board member and/or ourselves can bring the issue to the 3030 Homeschool Board for arbitration.
