What is “Grant Guidance”?

Grant guidance is complete grant funding support for your business, providing a complete grant program that provides advice, how to find funding, templates, and steps to help your business continue to be awarded year after year. We help your organizations prepare to apply to opportunities with complete ease.

What Is Included In “Grant Guidance”?

- Unlimited email support for all grant inquiries
- Grant guidance self-paced workshop
- Get access to our **“Member Only Facebook Group”** with hundreds of grants posted per month
- Client workspace (Business plan template and more)

What You Learn:

- Know Where to Apply
- Know-How to Apply
- Know What to Apply To
- Know Whom to Call

- Grants eligible to you
- All common qualifications needed
- Grant writing tips
- What is a grant
- How to get your business ready to qualify for federal and state funding

Does “Grant Guidance” include grant writing services?

No. However you always have the option to have our team take care of all grant writing and research for you. You can add our research, grant writing, or technical assistance programs to get your grant submitted.
