Agenda

Kamala's going to need a BLUE CONGRESS to get stuff done. *JoinUS* as we enjoin the principled challenge to: ***Do Something!***

Our CademCC virtual Eboard meeting will be this **Saturday, July 27, 2024 at 9:30am**. Zoom registration is at ***tinyurl.com/DoSomethg***. We'll recap CADEM and Children's Caucus doings in 2024, then peer into what's coming between now and November. While devoting the bulk of our time to CADEM's targeted federal candidates, whose seats it is imperative we retain or flip in DC, in order to maintain our democracy come November. Please find a tentative agenda ***here***.

Supporting CADEM's Targeted Candidates

We'll be joined by two of CADEM's ten targeted congressional candidates, one from NorCal, and one from SoCal. Each candidate serves a district that spans school districts currently buffeted by extremist MAGA "culture wars," so come prepared to hear how your candidate addresses children's issues of concern. You can submit questions in advance via the zoom registration form if you like, or just be prepared to raise your zoom hand. We'll try to protect time for questions.

Jessica Morse is running in ***CD 3***. She has much experience with social services and wildfire resilience, from USAID and a tour of duty in Iraq, to emergency management as California's Deputy Secretary for Forest and Wildland Resilience. A strong champion of women's reproductive rights, you will be able to join a zoom room to phone for support within the vast eastern-region district she hopes to represent next year.

Michael Levin is running in ***CD 49***. An environmental attorney, the three-time incumbent, Mr Levin's, ***focus*** has been on veteran's affairs, environment and sustainability. His district also encompasses some communities heavily affected by MAGA extremism not just at school boards, but in other public Commons such as libraries, municipal property and proceedings, etc. Come prepared to seize the teachable-moment, and help our candidates illuminate their stance on children's issues. Select which zoom room phone bank you'll lend of yourself to

Recap: CDP July Executive Board Meeting Endorsements

During last weekend's Special Meeting of the California Party Executive Board, three Propositions were supported: **Proposition 2**, a bond to construct and modernize PK-12 education facilities; **Proposition 4**, a bond to finance projects for safe drinking water, wildfire prevention, drought preparedness, and clean air; and **Proposition 5**, which would lower the supermajority threshold to approve bond funding for affordable housing, transportation, parks and other infrastructure measures.

Ten propositions were certified to appear on the November 5, 2024 ballot.

A note on membership and inclusion

* You needn't be an elected or appointed delegate to the CDP to belong to the CDP Children's Caucus!

*We require only your interest in supporting children's issues. **

CDP caucus membership is accessible to all California Democrats. And meeting attendance does not require Convention or Eboard Meeting registration. It is a good way to engage the state Party, without being a voting delegate to it. Dues are collected annually [here](#); request a hardship waiver [here](#).
