A MESSAGE FROM THE GRAND MONARCH

Hello to my many friends and Prophets of the Realm. WOW! It's only been a few months and so much has happened. With the coming "back to normal" being so exciting for all, who I've traveled with. We now get together as we remember and with the chance to review our past with our Grottoes, Associations and Family.

With new life especially in our Grottoes and with the addition of our Latin countries, it has brought excitement and enthusiasm, big smiles and a strong future. As I've said before the use of our 5 Senses can and will help us from taking for granted those close to us. My time spent traveling has given me time to reflect and think hard on my own 5 Senses. In doing so, I've found "listening" is most important. So, I ask for forgiveness to improve on my listening skills. Praying for safe travels and good health for all as we travel into our Holiday season. I will be traveling a great deal more and I'll be looking forward to all the Fellowship and Fun as I greet our new Associations, Grottoes and new Prophets.

With my visits to NWGA - OGA - MWGA - Old Dominion - ESGA and, of course, our Ohio DeMolay, my travels have led me to better understand how important everyone is to our Realm. It is looking strong. Every Association and Grotto works so hard to be a success. I had the opportunity to reflect and I've found that I've taken someone close to me for granted. My Lady Dana has worked so hard to bring our convention together. Her time and efforts have been her own. She has jumped so many hurdles and developed a repore with so many to make it a success. She dedicated so many long hard hours to get our convention to be one of the best. I apologize to her and I've asked for forgiveness for taking her efforts for granted. Our first Hotel closed and then reopened and then closed again over COVID 19. Her determination on our trip to Louisville, Kentucky working the internet and talking with so many that would listen, again her dedication and working along shows how strong a Lady she is. Dana, I am sorry. So, I ask. "Are we doing the same with our own?" Our Blue Lodges, Grottoes, our Ladies and our health? If so, take a moment to reflect and ask for foregiveness and start anew.

So, with all being said, I've come up with my theme for the 132nd Convention. It's "A Day in Time." The Hilton Cincinnati Netherland Plaza was built and finished during the depression, probation era. Speakeasys were the norm. Themes like this will be for the hospitality rooms and throughout the Hotel. Its history and art deco will leave you talking long after the convention. You all are invited to the "BEST" convention that OHIO can bring in Cincinnati, Ohio!!! Register as soon as you can. It's closer than you think. VERY EXCITING EVENTS ARE PLANNED!! This is a full-service hotel (like in the old days). Parking is just next door at \$18.00 a day (no in or out). Remember "A Day in Time." Great memories await everyone. Prophets and Ladies, we thank you for all that you do for the Grottoes of North America with hope for a greater New Year full of Family, Friends and more GROTTO FUN AND FELLOWSHIP!

Yours in Goodfellowship,

James K. Drake

GRAND HISTORIAN'S CORNER

I have heard that there once was a Grotto in Cuba. Since we now have Grottoes in Puerto Rico and El Salvador I thought it might be time to learn about the Grotto that was in Cuba. During our vacation in September, Joan and I visited the Supreme Council to get more information on it. We looked in the roster books and couldn't find any listings for it. Pat Phillips, Administrative Assistant, also helped us. We could not find any Grotto from Cuba. While I was Grand Monarch, Bill Thomas Past Grand Master of NY mentioned it several times so I gave him a call. The Grotto's name was El Morro in Havana, Cuba. Once we had a name, the rest came fairly quickly.

El Morro was instituted on November 8, 1952. Chartered in 1953. In December of 1953 the Grand Monarch appointed Prophet Cosme Alonso Yanes, Secretary of El Morro, to investigate the possibilities of creating Grottoes in Dominican Republic, Caracas, Venezuela, Mexico City, Puerto Rico, South America and Lima, Peru.

In the procedure book of 1954 "On September 19, 1953 I (Grand Monarch John Nicklas Jr.) constituted El Morro Grotto at Havana, Cuba. This event requires special note because it is a significant milestone in the life of the Mystic Order of Veiled Prophets of the Enchanted Realm. El Morro Grotto is the first Grotto constituted outside of the Continental North America and in a Spanish-speaking country."

From Prophetable Idea March 1956. El Morro was a busy Grotto. In 1956, after the convention in New Orleans, a post-convention trip was planned at El

Morro Grotto in Havana, Cuba. It was 850 miles from New Orleans to board a boat in Miami FL. The prophets of El Morro Grotto went all out to entertain those who took in the trip. A ceremonial (in Spanish) was also performed and is noted as it was "perfect in every respect." The Cuban Government issued two special stamps for the commemoration of the Grand Lodge of Cuba Building.

From Prophetable Idea September 1956. El Morro put an article in the publication that was written in both Spanish and English.

In July, 1955 El Morro wrote a letter to the Grand Secretary Otto Hildebrandt, P.G.M. concerning the Cuban flag and the Cuban National anthem. "...We felt extremely happy to see the flag of the Republic of Cuba displayed jointly with the flag of the United States and Canada on the stage ... However, we do expect that the number of Cuban flags borne and displayed by the Grottoes of our excellent Order in those countries at their official and public demonstrations will naturally increase as the understanding increases that our Order no longer is confined to the United States and Canada but has entered a new field which, although small, is fully responsive to the brotherly feelings of the Order." They also sent a number of copies of the Cuban National anthem.

In the 1961 and 1962 roster books, the "No information received" filled the space. By 1966 they were no longer listed.

THE HISTORY OF THE HUMANITARIAN FOUNDATION

The Humanitarian Foundation, a 501c(3) nonprofit organization, is the official charity of the Grottoes of North America. Created in 1949 by the Supreme Council of the Grottoes of North America, the Foundation conducts the Dental Program for Special Needs Children for the Grottoes. The delegates at its Supreme Council Session in June 1949 adopted a resolution to establish a national charitable program that was named the HUMANITARIAN FOUNDATION.

Prophets (Grotto Members), family and friends are encouraged to help continue the work of the Foundation by supporting the Enchanted Lantern Society, Fairchild Society, and Legacy Society. All money donated is deposited into the Foundation trust, which only grants, interest and interest on investments are used each year. This ensures that every gift will continue to brighten children's smiles forever.

In 1951, their first project was "Aid for the Cerebral Palsy Child," from 1953 to 1970 the main thrust of the charitable thrust. In 1969 the Humanitarian Foundation Trustees, realizing that the momentum from the 1950s to 1960s, expanded their scope by adopting the Dentistry for the Handicapped child. In 1969, they met and agreed the Grotto would establish a dental clinic for the handicapped child at Illinois Masonic Medical Center.

In 1973, the Extension Program of the Dentistry for the Handicapped Child began, when the Trustees realized many children who did not live in the Chicago area could be treated locally and at less cost, without the burden of traveling and housing for the parent and child.

The program is now designed to help special children under the age of 18 receive the best dental care possible. Today, the Humanitarian Foundation has a unique partnership with qualified dentists throughout the United States and Canada.

THE HISTORY OF THE ENCHANTED LANTERN

In the early days of Masonry and the Grotto, the owner of a local business would hang his type of lantern in front of his store to notify of a meeting that night. For the Grotto, the Enchanted Lantern signifies a "Beacon of Hope" for Children with Special Needs. The history of the lantern was not forgotten when, in 1953, the Grottoes adopted the "Enchanted Lantern" as their emblem to represent each contribution of \$50 or more.

The annual sale of Enchanted Lanterns to Grotto members, family and friends through the Enchanted Lantern program and Gifts, Wills and Bequests Programs. The Gifts, Wills and Bequests Programs handle the gifts and estate contributions given by members, family and friends, who wish to continue helping these "special children" long after they are gone. With the Enchanted Lantern Program and the Gifts, Wills and Bequests, it is our hope the Foundation will grow even larger, so we can continue to help put smiles on the faces of these "special children."

Donations support the Dental Program through the Endowment Program.

HUMANITARIAN FOUNDATION

Kallipolis Grotto

A presentation was given to Glory Days Restaurant in Linthicum, Maryland by Reed Cole for the great service and hospitality shown to him when he goes there to eat (which is quite often from what he tells us.) In the picture along with the staff of the restaurant are 2 prophets for Kallipolis Grotto - Reed Cole, PM & Dr. Of Smiles and Mel Harrison, PMS Secretary.

NEWS FROM THE HUMANITARIAN TRUSTEES

We would like to let everyone know that the Foundation is doing well. The dental program has been able to assist every child that has qualified, and we are still under our budget for the year.

The contributions have been on the rise and that is a good sign.

Instead of a full article from us this month, we thought with new Grottoes and prophets that have joined our Fellowship (and maybe some of the other prophets), would like to know a little about the history of the Foundation. The first 2 articles were found with paperwork in the office. The other two were composed of researching different articles on the Foundation.

We hope everyone enjoys a little of our history.

IN GOOD FELLOWSHIP, THE HUMANITARIAN TRUSTEES
