

Ethical Issues and Play Therapy

Description

This 3-hour live webinar will explore common ethical issues that can manifest in play therapy work. Association for Play Therapy (APT) best practices and various governing bodies ethical standards will be highlighted. Case examples will be discussed, and participants will have the opportunity to experientially conceptualize potential ethical dilemmas through exercises and small group discussion.

Learning Objectives

- 1) Describe common ethical issue that emerge in play therapy work
- 2) Identify ethical guidelines and best practices defined by the Association for Play Therapy
- 3) Implement procedures to identify and address potential ethical situations

Workshop Facilitators

Robert Jason Grant Ed.D, LPC, NCC, RPT-S and
