

!!!THANK YOU!!!

Dear Lion Brothers,

Thank you so much for the invaluable support for Lion Gaston E. Correa in his candidacy for 2nd. VDG D35-N, year 2024-2025.

I have been able to visit many Clubs and learn more about their actions and they are still on our agenda, the visit the other Clubs that I will visit in the future to share my goals and at the same time, receive their opinions and actions that the District 35-N should take in order to strengthen the union, working together, while growing and strengthening our Clubs and District.

This, without losing the perspective of long-term work on the projects established by the District.

It has been a large and hard journey, but enriching journey traveled, very valuable learning both locally and Internationally

With your vote, we will reinforce the action of service in the Community in Lions projects of the District and Project Lions International President Patti Hill "MISSION 1.5 Millions". We will achieve the position of our District 35-N as Leader of MD 35.

**YOUR CANDIDATE,
LION GASTON E. CORREA
GOD BLESS THE LIONS !!**
