

PGA Gymnastics Sponsorship

Pocatello Gymnastics Association, Incorporated (PGA) is a volunteer based parent association, committed to the support of Women's Gymnastics in Pocatello, ID. In particular, this non-profit organization 501 (c)(3) is established to aid the gymnasts of Popov Gymnastics Academy, regardless of socioeconomic background. The mission of PGA has been to support local competitive gymnasts in the pursuit of their athletic dreams. We do this by paying coaching fees at competitions, travel expenses, equipment purchases, and meet scholarships. We are seeking sponsorships for the competition season and wish to thank you for your time and consideration regarding this opportunity.

We believe that competitive gymnastics fosters a lifetime love of exercise, movement, flexibility and strength in young athletes. We are particularly proud to promote a sport that values strong, independent women athletes and know that girls and women of strength can do anything! Athletes are building more than strong bodies; they are building self-esteem, motivation, work ethic, time management skills, team commitment, and respect for oneself and others. We support and promote the values of health and wellness instilled in athletes participating in Levels 1-10, Junior Olympic Gymnastics through USA Gymnastics.

Our competitive team gymnasts travel throughout Idaho, Utah, and Nevada; wherever their qualifying scores will take them, representing the place we call home: Pocatello, ID. Gymnasts at Popov train between 8-20+ hrs a week, year-round in order to attain and perfect their competitive skills in artistic gymnastics events. These events include: Floor Exercise, Balance Beam, Uneven Bars and Vault. Team gymnasts fundraise to help attain their goals and dreams and to support each other in higher level regional and national events.

We would like to offer your business the opportunity to assist team gymnasts in your community by becoming a **Gymnastics Team Sponsor**. We have a **Banner program** for **Gymnastics Team Sponsors**. These banners will be displayed at Popov Gymnastics academy and are seen by hundreds of customers weekly during recreational gymnastics classes, home meets and open gym.
