

# NIKE TOURNAMENT TOUGH TENNIS CAMP PAST CAMPERS REVIEWS

## WINNING STRATEGIES

I loved the Nike Tennis Camp at ESPN Wide World of Sports with Carlos Goffi! I had so much fun and was able to learn much more about match play, point selection, and how to think on the court. I also was able to meet many kids my age and we had so much fun.

## GREAT CAMP!

## INDEBTED PARENTS

Coach Carlos Goffi was truly amazing. I cannot believe just how much he worked with and encouraged our daughter. She finally came to the point of going beyond being a good player with her friends but instead wanting to do it for herself. My husband and I are completely indebted. He is incredible! Thank you!!!

## CONTENT WITH COMPETITION

I really enjoyed the Tournament Tough camp. It was nice being able to play with more competitive players and I thought the coaches really knew what they were talking about.

## SERIOUS FUN!

My sons really enjoyed this camp and I think they both really improved their games! They really liked playing with more serious tennis players and want to return again next year.

## HARD WORKING STAFF

Fantastic program! Great staff who work hard to teach higher level tennis to the kids, but make sure they are having fun at the same time. My daughter will be back!

## GREAT TEACHER!

This is one of the best camps I've ever attended and will definitely be back next summer. Thank you very much and bless you all.

## GOING ON 5 YEARS!

This is my daughter's 4th year with Carlos Goffi's Nike Tennis camps. She thoroughly enjoys her time and feels more and more confident after her time there.

## GREAT JOB!

Coach Goffi and his staff are very knowledgeable and do a GREAT JOB!
