Interior Paint & Finishes

We use premium-grade paints from trusted brands to ensure your home looks great - and stays protected for years to come.

At D2k Modlife, we finish all interiors using PPG Paint In which you will be able to choose your color.

Standard package includes:

- Walls & Ceiling: Eggshell or Satin
- Trim & Doors: Semi-gloss white
- Exterior Paint: UV-rated exterior acrylic latex paint

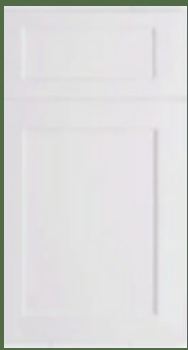

We can color-match most major brands if you have a favorite.

If you want something bold or custom then just provide a swatch or color code - we'll make it happen

Toilets & Bath Essentials

Every D2K Modlife home comes standard with a high-efficiency, modern-style toilet — professionally installed and designed for long-term comfort and performance.

- Water-saving dual flush (1.1 / 1.6 GPF)
- Soft-close seat included
- Sleek modern skirted base
- White porcelain finish
- Installed & tested before delivery

Prefer a two-piece design or tankless model? Let us know — we can source alternatives to match your space and needs.

Windows & Exterior Doors

All D2K Modlife homes come equipped with high-efficiency vinyl windows and insulated exterior doors — installed, sealed, and trimmed before delivery.

Vinyl Dual-Pane Windows

- Low-E, energy-efficient glass
- Dual-pane for insulation
- Available in white or black frame
- Includes interior trim & sealed exterior flange
- Screens included on all operable windows

Insulated Steel Entry Doors

- 36" wide exterior entry (where applicable)
- Steel or fiberglass construction
- Weather-sealed and insulated
- Optional full-lite glass or 9-lite glass panel
- Sliding glass door included in models with rear porch
