16<sup>th</sup> - K.P.    16<sup>th</sup> - Leah

21<sup>st</sup> - Joe W.    23<sup>rd</sup> - Anna

**November Recap:** November was a lively and memorable month filled with fun events and festive energy. We enjoyed a special performance by "Elvis," which brought plenty of smiles and added excitement to the season. Our Thanksgiving lunch was a wonderful highlight—great food, warm company, and a chance to celebrate together. Throughout the month, we stayed busy with lots of crafts and activities, making it a creative and cheerful time for everyone.

## Looking into December and the New Year

December will be filled with joyful activities, from making lots of Christmas decorations and trimming the tree to celebrating special moments with family and friends. The excitement builds as the holiday season comes to life, especially during a festive visit from Santa paired with a warm, delicious pancake breakfast. Each activity adds to the magic of the month, creating memories that last long after the season ends.

What a great 2025 it has been! So many wonderful memories—Kona Ice, amazing performances from A Little Piece of Heaven, Elvis, Greg the Guitar Player, and a special visit from Gee Funny Farms. We've enjoyed countless activities, member fashion shows, karaoke, games, crafts, and so much more. Thank you all for making memories together with us.

Warm holiday wishes to all our BAC family and friends! We feel incredibly blessed to have every one of you as part of our BAC family. We are looking forward to the new year and to many more amazing experiences together—learning, having fun, and making new friends.
