HAPPINESS IS LIKE A BUTTERFLY, the more you chase it, the more it evades you, but if you notice the other things around you, it will gently come and sit on your shoulder.

VOICE OF BAC

It is always a joy to bring to you reports from the previous month. We strive to make each month better for our members and staff. The month of July was a successful month just like the other months. As some of you may know, our car wash adventure was a hit and everything to write home about. We were impressed by the number of cars that showed up to get washed and the enthusiasm on the part of our members to participate in the adventure. In this light we say thank you for your continuous support. We are contemplating another car wash adventure or possibly taking on another adventure. We will be sure to keep you posted.

Outdoor Nature talk

Summer is running quickly and soon fall will crawl up on us. A lot of us think of the month of August as the end of summer nearing but we say let's continue the fun till we have to dig out our jackets for the cold winter days and even with that, there's always a way around it to still have fun. We plan on embarking on as many community outings as possible this month, enjoy more outdoor times and games while working on some of our cognitive skills.

TASTE OF AFRICA!!!

Have you ever wanted or wondered about a trip to Africa? Maybe yes, maybe not. If you have,, that is wonderful and we hope you enjoyed the experience, if you havent, this month BAC will be embarking on an imaginary trip to Africa precisely Ghana with our members just like we did for our Tour of Italy. We will be working on our sensorimotor skills as well as fine motor skills by making artefacts that will be displayed during our big event, Taste of Africa. There will be different African cuisines/ treats to purchase on this day. Stay tuned for more information.

Akwaaba-Welcome to Ghana

Ghana is a country located in the western part of Africa along the Gulf of Guinea and the Atlantic Ocean to the south sharing borders with Ivory Coast, Burkina Faso and Togo. Ghana prior to their independence in 1957 was called the Gold Coast. The country is well known as one of the most hospitable and peaceful countries in Africa. Ghana is a multi-ethnic country with linguistic and religious groups. While there are about eighty spoken languages in Ghana, English is the official/formal language in Ghana. If you are looking for a trip to experience lush forest, diverse animal life and miles of sandy beaches along rich culture, Ghana is the place for you.
