For your \$500 reservation fee to be accepted, please agree to the following terms:

1. I understand and agree that my \$500 is non-refundable. I am not guaranteed my puppy of choice or gender of choice. I understand that I can continue to defer my place in line and add myself to future reservation lists two times without consequence. After the third defer I will lose my spot in the line and go to the bottom of the list.

_____ I understand and agree to the terms and conditions

2. I also understand that the timing of the litters is uncontrolled, as well as a successful pregnancy. We are not able to control the timing of heat cycles.

_____ I agree and understand timing is never guaranteed

3. I understand that clients choose the order of the reservation list and clients can choose any of the puppies available to them at their selection time and placement. If a client is not in attendance nor is reachable by phone during their selection date and time, they will forfeit their placement.

_____ I understand and agree to the selection day process

4. When clients pay a non-refundable deposit, they are put on the litter waitlist. As puppies become available, we will make our way down the list in order of reservation fee and place clients on a litter list. Clients are allowed 'passes' on 2 litters before being sent to the bottom of the reservation fee list.

_____ I understand that if I do not respond after 2 attempts by Kelley'sw Goldens to reach me I will be removed from the reservation fee list

5. After 2 times of trying to reach a client if no response is had after 2 weeks you will be dropped off the reservation list

_____ I understand and agree to the terms and conditions

6. We reserve the right to use any puppy selections in any form or fashion without restriction. We also reserve the right to replace a client that chooses to remove themselves from the list with our own selection.

_____ I understand and agree to the terms and conditions

7. I am aware that puppies can have certain common ailments upon coming home. UTI's, infections, parasites, ear infections, and allergy issues are all common. While we routinely deworm and monitor for potential UTI's and ear infections, sometimes the stress of leaving the breeder causes issues to flare up. I understand that it will be my responsibility to treat and care for my new puppy once they leave the breeder.

_____ I understand and agree to the terms and I will ensure they get proper care and medication if needed.
