

SHAURYA

Owner & CEO of #SN-MG Creations

About Me

Let me introduce myself, I am a web code editor, who has 7 years of experience in this work. I am very experienced in various coding languages and I have made various websites for school, business, company, etc. I have made the website of the school of my own mamaji.(<https://doonpublicschooljsg.com/>)

Work Experience

2020

ARDUINO CODE WRITER

ShRaNi Combinations

I, with my friends Rajveer and Nitin, started this company and we made various projects for the colony members (Patna) using Arduino.

2021

ONLINE POSTER MAKER

ShRaNi Combinations

I, with my friends Rajveer and Nitin, started this company and we made posters for needy people & once we made a poster of a lost person. (Rs.10 / -)

2023

ARTIFICIAL INTELLIGENCE

#SN-MG Creations

I, with my friend Mohit, started this company based on artificial intelligence and IT. I had learnt coding for these (2yrs.). Such a charming work..!
