Give Someone a Spiritual Gift this Christmas! {this text centered and this color blue at top of body of email}

December 3, 2018

Dear Friends,

With only a little over 3 weeks until Christmas, you may be feeling the pressure of having to find those last minute gifts for family, friends, and other Very Important People. You want to find just the right present, one that is packed with meaning far beyond the holidays and that shows how deeply you care.

But...there are **only three weeks left!**

If you are like me, you may be wondering where you are going find the time to get gifts like that. Gifts of that caliber usually take months of searching and planning, right?

Not this year! This Christmas you can give the perfect spiritual gift with my eBooks, *Year of Blessings* and *Fearless Faith: A Daily Guide to Courageous Living*.

{Insert a thumbnail size *Year of Blessings* cover image here, left justified, text wrapped} gives you a daily blessing to pray over your family, your loved ones, or your congregation. Try it for a year and see the transformation that a spoken blessing a day can make! **CLICK HERE TO ORDER NOW.**{Link the words in green and capitalization to Amazon for *Year of Blessings* here}

{Insert thumbnail size *Fearless Faith* cover image here, left justified, text wrapped} is a daily devotional designed to release the Anointing in *and* through you. **CLICK HERE TO ORDER NOW.** {Link the words in green and capitalization to Amazon for *Fearless Faith* here}

In **just a few minutes you** can give one OR both of these spiritual gifts to **every** person on your list, and then relax and enjoy the blessings of this Christmas season!
