

pi

Freeze-dried vegetable even for picky eater, give it a try!

FREEZE-DRIED CHOOSE PI INFINITE LOVE&BENEFIT FOR PET

Perfect for everyday feeding

Allow owners to quickly prepare freeze-dried vegetables&fruits and add to pets' bowls anytime anywhere, whether it is with freeze-dried, dry or raw food.

The charm of freeze-dried vegetables&fruits

The original color and state are retained, the taste is crisp and the unique aroma of vegetables is brought together. Even picky eater cannot hardly resist such freeze-dried vegetables&fruits.

We only add "time" except ingredients

The freeze-drying process of Pi's product is up to 48 hours, ensuring the product retains the maximum nutritional content. 1 serving of freeze-dried vegetable&fruit equals approximately 12 servings of fresh-prepared vegetables&fruits

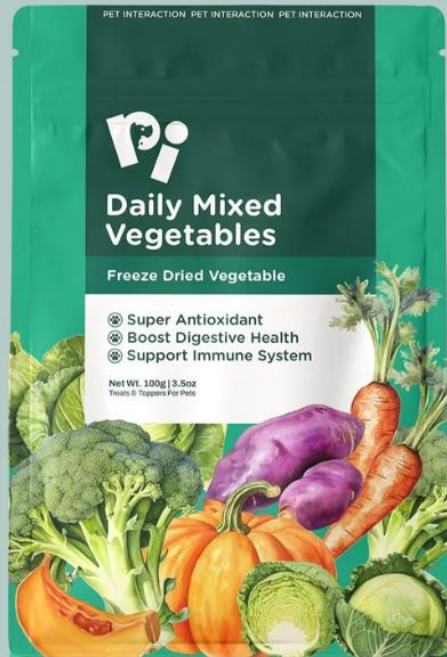

Safety & Quality Always Consider First

- No Artificial Preservatives
- No Added Colors
- No Added Flavorings
- Canada Made
- Source Worldwide

Daily mix vegetables- 100gr

Freeze-dried broccoli, brussels sprouts, purple potatoes, pumpkin, carrots

- **Antioxidants:** These vegetables are rich in antioxidants that help combat free radicals, preventing cell damage and aging.
- **Nutrient-rich:** They provide many essential vitamins and minerals, contributing to the overall health of pets.
- **Boost immune system:** Certain nutrients in these vegetables can enhance the immune system of pets, making them more resistant to diseases.
- **Healthy digestion:** The fiber in these vegetables aids in digestion for pets, preventing constipation and other digestive issues.
- **Low in calories and fat:** This helps pets maintain a healthy weight, as overweight pets might face more health issues.
