

AUSTRAL BUSINESS

MESSAGE FROM THE CEO AND FOUNDER OF AUSTRAL BUSINESS

Mr. Rafael Mora Varona

for the
25th ANNIVERSARY

Dear all,

Allow me with great gratitude to share with you the 25th Anniversary of AUSTRAL BUSINESS.

Our roots go back to 1999 with the creation of the first five companies in the areas of consulting and technical support for projects of European companies in Southern Africa in the sectors of mining, petroleum, engineering, public works, nautical, aeronautics, satellite mapping, protection, and defense. These first companies would be unified in 2013 into a single entity called AUSTRAL BUSINESS, becoming over the years one of the best "multipurpose consultancies" of its kind.

Without ceasing to learn day by day, we effectively offer the commercial and professional services that our clients require from us.

For all these reasons, I would like to express my gratitude to our team, without whom none of this would be possible, to our JV allies, and of course, to you for keeping us where we are and allowing us to give our best.

Warm greetings

Rafael Mora Varona

Founder & CEO
