Where Are You From? Happy or Sad?

I feel blessed to live at Treetops Condos on Horseshoe Bend overlooking the main channel of the Lake near the 13 mm. Besides watching boats cruise the water, eagles soar overhead daily, squirrels, and various small birds perch on my patio. Right below me is one of the outdoor pools and within 100 feet is a very nice indoor pool. I've always liked to swim and years ago I earned my Boy Scout Lifesaving Merit Badge. My two granddaughters in Russellville are in their third year as lifeguards at their city pool; a great summer job for college students. I try to swim daily in the pool here and I usually ask one or more people where they're from. As you can guess, the answer is typically St. Louis, Kansas City, or elsewhere. Strangely, this week there were occasions when two people said Fenton and House Springs, MO which are the two nearest towns to where my oldest son lives; and one of them graduated from Herculaneum High School where my wife went to school. The next day a lady said she was originally from Crystal City, which is where I am from. Her two cousins went to school with me all 12 years. And yesterday, a lady said she was from Southeast Oklahoma. It turns out that she lives about 20 miles from Ada and I know exactly where her road is. What a small world! But while I am always curious about their geographical home, if possible, I try to learn more about their life, and invariably you find what one might expect: Happiness or sorrow. The lady from my hometown revealed that she lost her husband quite suddenly two years ago. He was only in his fifties. When I told her that I was a Lutheran pastor, she said that she was Catholic, but hadn't gone to church since his death. She was troubled also because a friend had told her that she was really weak in her faith. She began asking several "why" questions—the kind which usually don't have an

answer or at least not a satisfactory one. I used the opportunity to share that we live in a sinful world, filled with much pain and suffering; and even Jesus Christ, although born without sin, endured an earthly life filled with suffering. Ultimately, He suffered more than any of us probably ever will. Jesus said, "The Son of Man must suffer many things" (Mark 8:31). Born to suffer and die, He submitted to His Father's will, fulfilling a perfect plan to bear our sin and deliver us from death. Therefore we are comforted in our suffering, knowing that this Christ Child is the long awaited promise, come down to earth to give us forgiveness, life, and salvation. Psalm 119:50 says, "This is my comfort in my affliction, that your promise gives me life." The Babe, the promise, has come to be the sacrifice, so that those who are baptized in His death might live the perfect life with Him to eternity. Paul reminds us in Ro-

affliction, that your promise gives me life." The Babe, the promise, has come to be the sacrifice, so that those who are baptized in His death might live the perfect life with Him to eternity. Paul reminds us in Romans 5 that our "suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame" (3-5). For it is in Christ that we find our true joy, having this hope and rejoicing in the suffering that drives us to Him again and again, knowing "that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us" (Rom 8:18). His strength is made perfect in weakness, so when we are weak, we are strong in Christ (2 Cor 12:9-10). He is the only perfection we need to seek. A life without a long-time spouse or with a chronic disease is not anyone's picture of the perfect life, but the perfect life is not perfect because it has no suffering; rather, the perfect Life was made perfect through suffering (Heb 2:10), which means salvation for all. For where suffering is, God is not absent—there, God is working! Our Immanuel was born among us, enduring the Passion and humiliation of the cross, and He is still with us, giving us His perfection in His Word and Sacraments. He is with you, and you can be confident "that he who began a good work in you will bring it to completion at the day of Jesus Christ" (Phil 1:6). The lady at the pool even asked me how she should pray. She was eager to grow in her faith and find peace. The Lord not only works in mysterious ways, but He oftentimes uses us to accomplish His mysterious ways. Praise be to God!

Comments from Our President

Summer is upon us and what blessing it is to live at the beautiful Lake of the Ozarks. As we enter into this busy season, people visiting the area or moving to the area will be considering places to unite in fellowship to follow the word of our Lord Jesus Christ.

There is something truly inviting about Peace Lutheran Church. Whether it is our beautiful building, a picturesque setting or simply the kindness and thoughtfulness of our members and clergy, I have always felt that our church was truly a welcoming and comforting location to pray and worship our Lord.

I am sure many people drive by our church and feel exactly the same way. The comforts of home, so to speak, are here at Peace Lutheran Church. I pray that other members of the community have a chance to feel the way we do.

"For as the rain and the snow come down from heaven and do not return there but water the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall My Word be that goes out from My mouth; it shall not return to Me empty, but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it."
 Isaiah 55:10-11

Orissa, India is not a friendly place if you are a Christian. During the past two years, hundreds of Christians have been murdered -- murdered only because they professed faith in the risen Redeemer. Those who have survived have not had it easy.

- Thousands have had their homes destroyed.
- Others have had their businesses destroyed.
- Even more have had their freedoms restricted.

And what has been the result of these days of terror and nights of persecution? It is as the Lord has said it would be. God's Word is touching hearts and lives. Recently, in one district, 40 individuals declared their faith in the Savior. This kind of response was brought about as the Holy Spirit uses people to share the Savior's story of salvation. Now, there are a number of reasons why

I tell this to you. **First**, there are times when it seems as if Satan is in control of things. Not so. He has his minor victories and miniscule conquests, but Jesus remains the ultimate Victor. **Second**, although things in our country can get a little bit strange at times, the Lord is still blessing us big time. I encourage you: please make use of these opportunities to worship, to support missions, to share

Jesus with those around you. **Lastly**, please remember your brothers and sisters who are being persecuted for their faith. Ask the Lord to protect them and let the living Word use their lives as a bright beacon pointing souls to the crucified and risen Christ.

The Prayer: Dear Lord let Your Word accomplish Your purpose. Let all Your redeemed children make their witness to the Savior in whatever way they can. This I pray in the Name of Jesus. Amen.
 In Christ I remain His servant and yours,

Pastor Ken Klaus, speaker emeritus

Everyone His Witness

Witnessing is proclaiming God's Word to unbelieving people.

"But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, **that you may proclaim** the excellencies of Him who called you out of darkness into His marvelous light." (1 Peter 2:9)

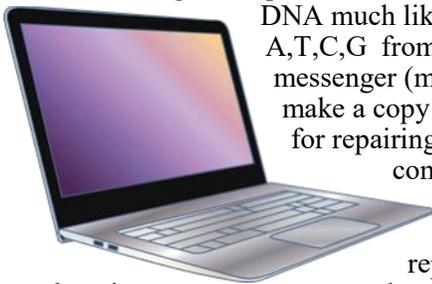

By nature, witnessing demands sharing to unbelievers by speaking or writing of God's Word – a Means of Grace - as the Holy Spirit works faith in them. The Means of Grace also includes Baptism and Holy Communion, but the Word of God is the Means of Grace most available to us as witnesses. There are many ways to prepare people to hear God's Word just as there are many ways to share God's Word with them. Serving through mercy work, showing kindness, "living missionally", and creating and fostering relationships with unbelieving people are good starting points to witnessing. But in themselves, they are not witnessing. **We cannot witness unless we share the Word of God with people. God's word is the power of our witness.** To put it another way, without the Word, our witness is powerless.

The Miracle of DNA continued

We know that DNA is the fundamental building block of life. Every living cell is a chemical factory that takes raw material and processes them and constructs products that can be used by the cell as well as by other parts of the organism. The living cell also functions like a computer. The computer center (cell nucleus) contains a biological library of files where all the blueprints and instruction manuals for the organism are stored. These are necessary for the building and replication of all life which are stored in code form on

DNA much like on compact disks. – remember A,T,C,G from last month. When a cell is damaged, a messenger (mRNA) is sent to the genetic library to make a copy of the blueprints and instructions (DNA) for repairing the damaged area. When copying is complete, mRNA heads off to the damaged site where it builds little robots (specific protein molecules) from the blueprints to repair the damage. This is a fundamental

explanation on how a living cell functions but at the same time it shows just how complex it is. How could these processes have come about accidentally? Where did all of the information that every living cell uses come from? The chemical messages could not have caused the messages any more than the chemicals in ink and paper can cause a message to be written down. Like the program in a computer, it must have had someone do the programming since it could not have programmed itself. That and the specified complexity of the processes involved point to an all knowing, all powerful being. And that being is God - the creator of Heaven and Earth!! *More to come next month.*

Coming to Peace in August

Plans are being made for Vacation Bible School to be held the week of Aug. 2 – 6, 10 a.m. to 2 p.m. for ages 4 to 12 yrs old. There is no cost to attend. This year's theme is "God's Wonder Lab". If you know of anyone who would like to attend, please call the church office.

Lutherans at the Lake

There are four LCMS churches in our immediate area (Christ the King, Hope, Peace, and Bethany). The pastors and elders of these congregations have agreed that it is high time to start doing things together! Our first event is coming up this month! On **Sunday, July 11, from 6:30 - 8:30 p.m.** we have reserved the entire Eldon Aquatic Center and we will enjoy an evening of conversation, food, fun, fellowship, and swimming. We look forward to seeing you there!

At the Center of it All

Psalm 118:8, the verse that falls in the middle of the Bible, reads, "It is better to take refuge in the LORD than to trust in humans" (NIV).

The center of God's Word reminds us to make God the center of our lives! No other person or possession can fulfill or save us. Only God is a safe, certain refuge, and we grow closer to him by grounding ourselves in his Word and his will.

The LWML meeting was called to order by President Sheryl Bald. Susan Kral presented the treasurer's report.

The President showed a wish list for Ronald McDonald House. We discussed providing meals to Ronald McDonald House if one was in Jefferson City. We could provide meals to Compassus in Osage Beach. Our mites reading "A Train Called Life" was given by Cathie.

Pastor Anderegg continued our Bible study on the book of Ruth.

Susan took **pop tabs** to Ronald McDonald in Camdenton. We are short 190 **Best Choice** labels. Diane has not heard anymore about the **Box Tops for Education**. The **kitchen** is in good shape. Jacey brought the flannel fabric for people to take home and bind the edges.

The president passed around the Swaddling Clothes flyer for those members who were not at the meeting in May.

The left over Angel Blanket fabric will be made into burp clothes. Sara reported game night went well with fourteen people attending.

Sara reported the VBS theme for this year is "God's Wonder Lab". She could use a few more people to help.

We will continue to use plastic table cloths instead of making or purchasing placemats.

No decision was made to change the meeting date back to second Tuesday of each month.

Dawn asked for mission project ideas.

Meeting was closed with prayer. Sheryl Bald, Secretary Pro-tem

Stewardship

We celebrate this month because of the freedoms and liberties our country has afforded us. We are right to do this. We should be thankful for these liberties – the freedom to gather together to worship and to live out what believe in our daily lives.

But freedom and liberty in our age have devolved. It has become a freedom from duty instead of a freedom for it. Indeed, freedom and liberty in our age has turned into licentiousness – a license to do what we want, when we want. This license is a submission again to a yoke of slavery. For freedom as license to do what we desire when we desire it means we are slaves to our desires and slaves to our passions.

Christ died to set us free from our desires. In Holy Baptism, our Old Adam is drowned and put to death along with all sin and evil desires so that a new man may arise and live before God in righteousness and purity. In Christ, we are a new creation. We are set free from the passions of the flesh so that we are free to do our duty and bear fruits of the Spirit.

Our duty is what God calls us to do as members of a family, society, and the Church. God calls us to

Our duty is what God calls us to do as members of a family, society, and the Church. God calls us to

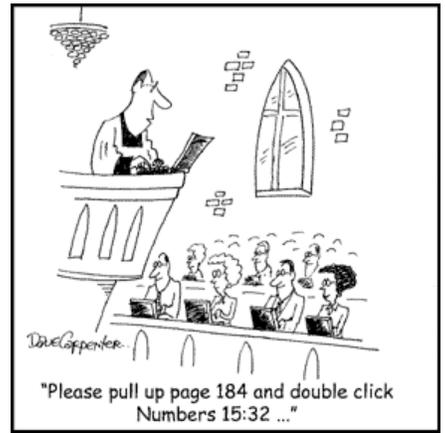

“For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery”
(Galatians 5:1)

believe in His Word and gladly hear and learn it. He calls us to pray for all people. He calls us to live in faith toward Him and in fervent love for our neighbor. He calls us to put the gifts He gives to us in His service. God calls parents provide for their children and raise them in the fear and admonition of the Lord.

And God calls children to honor their parents and provide and care for them when they are no longer able to do so themselves. God calls the government to punish those who do evil and to reward those who do good. He calls citizens to pay their taxes and honor the governing officials as God’s servants. He calls pastors to preach and teach the Gospel, repentance for the forgiveness of sins. And He calls hearers to support those who teach them with every good thing.

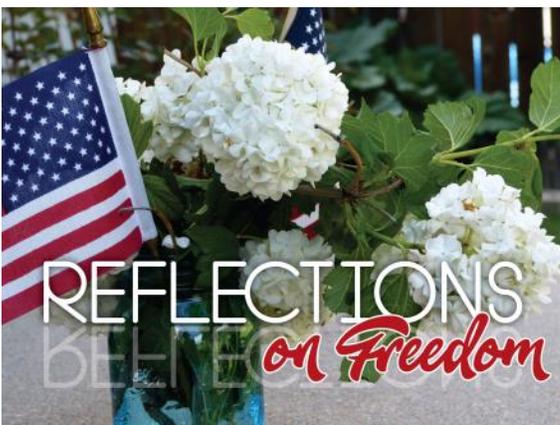

Christ died to set us free from the works of our selfish flesh, giving us the freedom and liberty to do our duty. Stand firm, then, and do not submit again to a yoke of slavery.

The church and shed roofs was replaced on Thurs., June 17 and Friday, June 18. A tree was also removed on Saturday, June 19.

Returning to the Communion Rail

Dear Christian Friends,

The Elders and Pastors are pleased to announce we will return to a more normal communion format beginning, Sunday, July 4.

A great deal of time was spent discussing this return. Many things were taken into account, including the long history of receiving communion kneeling or standing at the rail before the altar.

Our COVID practice of taking the body and blood of our Lord and Savior Jesus to our congregation and visitors in the pew has served us well. That was what we have done for individuals who could not physically come to the rail for years.

Beginning Sunday, July 4, we will return to our normal communion with these modifications:

- We will continue to ask our congregation to pick up their service folders at the credenza in the Narthex.

service folders at the credenza in the Narthex.

- The offering plate will continue to be located at the rear of the church, so as to not handle or pass them during the service.
- Pastors and assisting Elders will continue to sanitize their hands before the Service of the Sacrament.
- We will continue to utilize the individual cups for communion.
- **Ushers will direct an aisle or pew to rise and move to the rail. Please maintain the same social distancing at the rail, that you had I the pew.**
- **Once you have received communion and the blessing, return to your pew, maintain the same social distancing as before communion.**
- **If you are unable to come to the rail, or if you would prefer to receive communion in your pew, remain in the pew when the ushers ask the people in your pew to move the rail. At the end of communion, the Pastor will ask those remaining in the pew, desiring to receive communion to rise and the Pastor and assisting Elder will bring communion to those recipients.**

We will also resume coffee service after our worship service, and Bible study will begin at 10:30 a.m. in the Friendship Hall.

Please raise any questions, or suggestions, with your Elder. These will be shared with the Pastors and Board of Elders.

God Bless,
Pastors and Elders
