FUNDRAISING EFFORT FOR OUR SPECIAL NEEDS KIDS! Desks for BUHS High School Students with Special Needs Help Ms. Evet give these students 16 collaborative desks

for her special needs class.

Any amount is a blessing. Total amount needed is \$6,848

"I have a great group of high school and adult-aged special education students with high support needs. All of our current classroom furniture are items that were going to be thrown out by other classrooms or districts. Our current desks are bent, slanted, or just not the right size for adult aged students. Most of our students have to share their desks with a peer. Three years ago our physical classroom building was split in half leaving us little room to fit group tables and desks. These desks would allow students to have their own space to work during their morning independent work time and allow us to combine them for small group work. It would also maximize the space that students have to move around the classroom."

Signed, Ms. Evet (Teacher-Supervisor of the Special Needs Class) **NOTE FROM LAURA:** It's been so much joy to watch these group of kids come to VBC and learn how to clean and disinfect week after week for some years now, minus Covid lockdown. It would be a privilege if you would please join me in supporting this important cause! Won't you prayerfully consider what we as a church can do? Thanks so much, it would mean so much to them! ;)

SCRIPTURE OF THE WEEK

Strength and honor *are* her clothing; She shall rejoice in time to come. She opens her mouth with wisdom, And on her tongue *is* the law of kindness. She watches over the ways of her household, And does not eat the bread of idleness. Her children rise up and call her blessed; Her husband *also*, and he praises her: "Many daughters have done well, But you excel them all." Charm *is* deceitful and beauty *is* passing, But a woman *who* fears the LORD, she shall be praised. Proverbs 31:25-30 (NKJV)
