USA

Dr. Craig Greene MD is a husband, father, world renowned orthopaedic surgeon, Navy reserve officer and creator of the sleep system...**Dr. Greene's Ideal Mattress.**

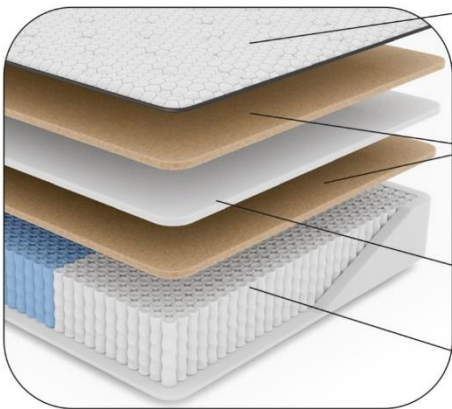

The Dr. Green Ideal Mattresses was designed to address the most common sleep challenges: temperature regulation, proper spinal alignment, and pressure point relief.

A portion of the proceeds from every mattress sold goes directly to the Greene Team Charity fund which provides medical treatment and humanitarian aid around the world for those that are impacted by natural disasters.

# Kelly 14" Foam Encased Hybrid Soft or Hard

- **Includes Pillow (s)**  
Filled with shredded memory foam which contours around your head and neck.

- **Quilted CoolTouch Temperature Regulating Fabric**  
Special conductive yarns actively move heat through the fabric to maintain a cool, comfortable sleeping environment.
- **Cool Copper Memory Foam**  
Conductive copper memory foam offers a cool sleep while providing body contouring support.
- **High-Density Transition Layer**  
Enhances the buoyant, weightless feel of the mattress.
- **Foam Encased Pocketed-Coils**  
Tri-zoned pocketed-coils adjust to your body's unique shape while being enclosed in a supportive foam frame
