

The poster features a light-colored wooden plank background. It is decorated with various autumn-themed elements: several maple leaves in shades of red, orange, and yellow are scattered around the edges; two large, bright orange pumpkins are positioned on the left and right sides; and a branch with red, serrated leaves is visible in the upper right corner.

TIPS FOR PREPARING CRAFTS

1. Articles must be clean and unused.
2. If using a glue gun, make sure there are no strands of glue left. Easily removed by turning on your hair dryer and blowing them away.
3. When a prize list calls for "a pair", both items must be the same size: ie: mitts, socks, tea towels, pillow cases must have identical patterns on each.
4. Use the right needles and/or crochet hook for the yarn and pattern being used.
5. Flat press knitting or crochet only if necessary.
6. There should never be knots on any piece of needlework, knitting or crochet. All loose ends must be woven into the article and well hidden.
7. When doing cross-stitch or counted cross-stitch, all top stitches must go in the same direction.
8. Latch hook rugs need to be finished with rug binding on the back.
9. Braided rugs must lie flat. Try them on a flat surface to make sure.
10. Cushions are 50cm (20") or less. Pillows are more than 50cm (20")
11. A doily is less than 30cm (12"). A centerpiece is over 30cm (12")
12. Stuffed toys should be washable, firmly stuffed with self-locking eyes or preferably embroidered eyes.
13. Use the proper yarn for needlepoint and do not press the stitches flat. All stitches must slant in the same direction. No holes, no canvas or stamped pattern visible. Blocked with straight row and square corners.
