Class 512: Grade 4 to 6
Class 513: Grade 7 & 8
Class 514: Grade 9 to 12

***Isn't Valentine's Day a wonderful way to make a fuss
and let Veterans know we will never forget what they have done for
us...***

Show Veterans your gratitude for their sacrifices and achievements in serving our country. Create a hand-made valentine and help bring joy to a Canadian Veteran this Valentine's Day.

Each year, Veterans Affairs Canada (VAC) invites Canadian schools, individuals and organizations to make *Valentines for Vets*. VAC then distributes the valentines to Veterans in long-term care facilities across the country in time for February 14.

1. Please do not include candy or chocolate with the valentines.
2. **Do not use sparkles** or materials that easily break off the valentines.
3. Please **sign** the valentines and write a bit about yourself—your age and what school you attend. However, **do not include addresses or phone numbers**.
4. Do not put the date or year on the valentines.
5. Be aware of who Veterans are—they are living and were men and women who served in the military. Avoid using "RIP" and images related to violence or death such as graveyards or guns.

Message Ideas

1. Tell the Veteran why they are important, what you plan to do this year to remember our nation's proud military history, or the reason you want to wish them a Happy Valentine's Day.
2. Thank the Veteran for his or her service, sacrifice and commitment to our country and citizens.
3. Write a poem or include one of significance to Valentine's Day or to Veterans, such as, "In Flanders Field" or "Roses are Red".
4. Send a store-bought valentine; hand-crafted cards, however, make Veterans feel extra special.
5. Valentines of all shapes, sizes, and colours are welcome. However, valentines that are greeting-card size are **easier to package** and distribute.
