

BAC HOA Members

The Member Information Package (MIP) posted on BAC's website, ourbac.com is the current governing and reference document of Buckskin Artists Community. The posted MIP incorporates any changes and remains current.

The Articles of Incorporation amendments you voted on and approved last May have now been approved by the Arizona Corporation Commission. The MIP is now updated with the amended Articles of Incorporation document.

A brief review of the changes is as follows:

1. Regular and Auxiliary membership is more clearly defined.
2. Voting can now be by email and other electronic methods as determined and communicated to the membership by the Board of Directors.
3. Members are encouraged to become more involved in the voting process when issues are presented to them.
4. It is now clearly defined that the entire membership will vote on changes to the Articles of Incorporation and the Covenants, Conditions and Restrictions (CC&R's). The Board of Directors will vote on changes to the Bylaws, the Water Service Policy and the Road Policy.
