Description of class/workshop and what you hope to gain or learn from this class:

Tentative plan and date for sharing experience with Valley Fiber Art Guild:

Note: The preferred method of sharing is to do a program at the general meeting or a workshop for Guild members. Alternate suggestions include but are not limited to:

A display at a general meeting or study group of the work done or inspired by the class/workshop along with photos and other relevant materials. Being part of multiple presenters for a program on several individual's educationally funded offerings. The creation of a mini-album containing pictures with captions. Writing a summary that highlights major points taught. Brief summary of the experience during Show & Tell portion of general meeting.
