Sponsorship & Marketing Guide

Welcome Letter

Dear Chamber Members,

Thank you for being part of the Quitman Chamber of Commerce and for the role you play in supporting our local business community. Your involvement matters, and it allows us to continue building something meaningful together.

At the heart of what we do is a simple purpose: to connect, support, and promote the businesses that make Quitman an incredible place to live and work. We strive to create opportunities for you to build relationships, increase your visibility, and grow alongside others who are invested in this community.

Through events, partnerships, and sponsorship opportunities, we bring people together in ways that lead to real connections and lasting impact. Whether it's meeting a new customer, forming a business partnership, or simply being part of the momentum in Quitman, those moments matter.

Sponsorships are one of the ways you can take that involvement further. They allow you to stay visible, stay connected, and play an active role in the continued growth of our community.

We are grateful for your support and proud to serve alongside you. We invite you to continue with us as we grow, build, and move Quitman forward together.

Sincerely,

Megan Whitworth
