

CAPABILITY STATEMENT

DIFFERENTIATORS

At TJD Trucking, we are customer service oriented with a laser focus on honesty, integrity and commitment. We believe in customizing our services for each customer to provide them with the most advantageous and streamlined process.

From start to finish, we offer the highest level of attention, quality, and detail. Our personal accountability and commitment to excellence will ensure that we complete your projects successfully.

ABOUT US

TJD Trucking is a certified Woman-Owned Small Business, based in Los Angeles, and has been providing trucking and dispatch services since 2019. With over 25 years of combined transportation experience, we understand the need to move commodities expeditiously and error-free., which is why we continuously aim to streamline our services.

Our mission is to become one of the largest minority-owned transportation companies in Southern California. We want to become a pillar in our community by providing gainful employment opportunities.
