Role: Dental Nurse

Are you looking for a change of role?
Are you looking for an employer who values you and offers career progression?

Dental Recruiting. are actively recruiting for our valued partner

Role: Dental Nurse
Hiring urgently: roles available now!
Salary: Around £32,000
Full Time
Location: Bristol BS16

Our partner is currently expanding rapidly, and are seeking experienced Dental Nurses to join their growing teams in Bristol and Luton; working around full jaw prosthodontics – mastering biomechanics, implant positions and prosthetic design. Full training is provided.

Requirements include GDC registration.

We're looking for candidates with the drive to learn and develop with the right clinical judgement. If you're ambitious and motivated then you could be the right fit for us. Training is based at our Birchwood clinic, near Liverpool and Manchester.

The Nurses are the backbone of the patient journey. You will be supporting the patients from the moment you see them.

You will have a lot of responsibility so a passion for patient care is a MUST.

A focus on quality is a must. All our processes will be taught to you by our existing amazing team members. All we ask is that you are open to learning cutting edge methodology.

- Salary: £32,000 with career progression
- Full-time role
- Requirements: GDC registration, indemnity cover, and the flexibility to travel occasionally nationwide.

Join our partner and be part of a growing team that is revolutionising full jaw rehabilitation.

**Send your CV to contact@dentalrecruiting.co.uk or call us on 01768 254 472 to discuss.
The roles are available for immediate interview and hire!**
