

## FOUNDER KRISTON

I am a mother, grandmother of 4 and an awesome friend. I am from Princess Anne, MD born and raised until about 7 years ago when I moved to the Western Shore.

I currently work in the healthcare field as a Medical Assistant. I have worked in several fields like Administrative, Corrections, and Property Management. I am a sponge when it comes to learning a new skill. I am the proud owner of JB Beauties, LLC!

My goal is to help and educate women to be the best that they can offer in the world. Let them know that they have a voice and don't be afraid to use it. If I can encourage one person than I have fulfilled my goal in this world, I am happy to be one of the Co-Founders of Delta Gamma Delta Sorority, Inc.
