

## FOUNDER NICKOLE

I was born in Atlanta, GA, and raised in Decatur, GA, and bring over twenty-five years of experience in the banking industry. Throughout my career, I held various roles before discovering my true passion as a Performance Job Coach Manager.

I pursued studies in Early Childhood Education and Teacher Education, laying the foundation for my commitment to personal and professional growth.

In addition to my career and academic pursuits, I cherish spending time with family and friends. Ensuring that I connect with them through calls, quality time, or thoughtful texts is essential to me. Letting people know how much I love and appreciate them is super important to me.

My dedication to fostering connections with like-minded women inspired me to become a Co-Founder of Delta Gamma Delta Sorority Incorporated. I'm enthusiastic about contributing to the empowerment of women as they work towards their goals. Participating in community service is near and dear to my heart, as I find fulfillment in both giving back and being an integral part of positive transformation.
