Our Value Proposition and Our Why

Delivering – We believe in doing and FBMP exist because many organisations don't. We will work to 'Deliver' effective change and tangible benefits for your organisation.

Success – We are goal-oriented people of exceptional capability. Whatever your mission, we will naturally work to achieve that outcome for you, whatever 'Success' may mean to you.

Together – We are a Partnership because we work and collaborate with you, and our network of partners to ensure the best possible input and outcomes are achieved for your organisation 'Together'.

For more information on the full range of our services,
please visit us at

Who are FBMP?

Our team is comprised of Ashley Frost and Tim Frost, with selected partners whose capabilities and quality compliment our own.

We have decades of unique experience gained from working with world leading organisations, in complex environments across the globe.

FBMP are now making that depth and breadth available to you - however big or small your need.

Project, Programme and Portfolio Management (P3M) and Leadership

Project Management as a Service (PMaaS)

Our 'On Demand' service offering provides highly skilled PM capability to work directly with you, delivering all the benefits of an in-house PM, without the commitment.

Delivering high caliber capability and excellent value for money

Specific Capability

As full Members of the UK based APM and International SCRUM register, you can engage with us to provide specific skill sets, such as;

Scheduling
Risk management
SCRUM
Change control
And more..

Leadership

We are also able to offer experienced, well recognised Leadership, including our partners, on an interim basis to deliver change centered around the following themes;

Transformations
Scaling
Diversification
M&A
And more...

Programme & Portfolio Management

Wanting to get the most from your product/service line and need some help to identify synergies or complimentary benefits.

Unlocking hidden value and improving ROI

Work Package Delivery

We can offer capability to deliver a defined P3M work package. This may not require full time support but needs a level of application or expertise you don't currently have available.

Getting the job done...

Project Management Office (PMO)

If you want an improved understanding of your business performance, or perhaps you require a PMO refresh, FBMP can review existing, or setup a new, project offices and related artefacts for you.

BMS
PMO
S&OP
Governance
And more...

"I have worked with Tim and Ashley on complex programmes and can attest to their high degree of professionalism and commitment to the delivery of results. As a partnership they have a wide portfolio of skills and a breadth of experience that uniquely positions them to provide a range of high-quality services to any business, large or small."

Jim Sibson CEng MIET ChPP FAPM, - Head of Research and Partnerships

Our Values

Sustainability - Operating with the future at the front of our mind.

Productivity - We get the job done.

Authenticity - Meaning and doing what we say.

Collaboration - Working with you.

Effectiveness - Delivering services that will stand the test of time.
