BHR Super Frost

FOALED: 1999 PALOMINO STALLION

BHR Super Frost is a classy, dark palomino who carries extra chrome. He has a great personality that passes on to his progeny. We have pasture bred him, and he is very respectful to the mares and foals and doesn't have a scratch on him. We are getting great reports across the

country from the owners of Super Frost colts on how smart, athletic and how easy going they are.

BHR Super Deck was one of the greatest mares we have ever raised. She not only had AAA speed and agility, but was also one of the nicest disposition horses one the ranch. Super Deck was third in the prestigious Diamond Classic Derby in Wyoming. Super Frost's colts are showing what they are capable of in the arena and on the track. BHR Go Go Girl was second in the 2015 South Dakota Bred Futurity in Aberdeen. A past Dakota Breeders Classic consignment was a winner at the 2015 Dash and Dance Barrel Futurity in Spearfish. Super Frost colts have tallied up several championship saddles and go round wins in youth, amateur and the professional level. They are very stout, sound horses with good muscle and bone. BHR Super Frost and his progeny are proof of our 50-year commitment to raising Quarter Horses that excel on the ranch, in the arena, and on the track.

Introducing our new Jr Stallion...

ONE MEAN EAGLE

We have one foal out of Eagle this year and will plan to have several more in the future.

One Mean Eagle is a stout made horse with an excellent disposition. We purchased him from Frenchmans Quarter Horses and felt his unique pedigree would be a huge asset to our breeding program. His sire (One Famous Eagle) is AAA with a speed index of 101 and earnings of \$1,387,453 and progeny earnings of an excess of \$29,000,000. His dam (Mean to Me) is a Corona Cartel daughter. Corona Cartel was an all time leading sire with progeny earnings of over \$63,000,000. One more bonus to the pedigree is Strawberry Silk. She earned \$1,256,263 and was named the champion 2 year old filly in 1989. She also went on to produce 24 starters from 27 foals that have earned \$888,952. These impressive records earned her a place in Ruidosa's Race Horse Hall of Fame.
