Dear Parents,

Hope you all had a great spring break! With warmer days ahead, we're excited for the snow to melt—but please continue to send snow gear as the weather remains unpredictable.

It's been a joy watching your children grow in confidence, independence, and curiosity. Their friendships are also blossoming, and I believe many will last for years.

Ms. Christi has officially retired, with her last day on Monday, March 31. She has been a blessing to our team, always describing her days as "joyfully exhausting." Her kindness and dedication will be greatly missed!

We're excited to welcome Ms. Sally in April! With extensive experience in early childhood education, she'll be a wonderful addition, assisting in the Butterfly and Caterpillar classrooms.

Preschool Parent Committee (PPC)

Are you a new or returning parent who wants to make a difference in our preschool community?

We meet bi-monthly to plan fundraising, encourage parent involvement, and help shape the preschool experience for our kids. ♥ Some of our amazing committee members are stepping down this year, and we need fresh voices to fill their spots!

Interested? Email maggiebevancreative@gmail.com today to get involved!

Colorado Shines helps ensure that all licensed early learning programs are meeting high standards, supporting children's development and preparing them for future success. Every 3 years our preschool goes through a rating process through Colorado Shines. This is our year to be rated, and our rating month is in May.

As part of the Shines rating process, we will be requesting that parents fill out an online survey about our preschool. We will be setting up a computer at our preschool where all parents will be able to access this survey and we will be available if you have any questions. **We are striving for a 70% survey completion rate amongst the families in our program.** Your time and cooperation with this survey are highly encouraged and greatly appreciated.
