TUITION *Reminders*

Tuition assistance is available through Grand Beginnings for qualifying families.

To see if you qualify, please request an application form from Ms. Kay. This form will need to be filled out and returned, along with a copy of your 2023 tax return, to Ms. Kay. The applications will then be reviewed and you will be notified if you qualify for tuition assistance.

Please note: occasionally there is a lag between when tuition invoices are printed and when we check the drop box for tuition checks. If you have received an invoice, but have already paid, please disregard the invoice or see Ms Kay to double check our payment records.
